Dear Supervisors/Commissioners:

**RESOLUTIONS APPROVING AND AUTHORIZING THE ISSUANCE OF
MULTIFAMILY HOUSING MORTGAGE REVENUE BONDS FOR SAN FERNANDO
SENIOR HOUSING IN THE CITY OF SAN FERNANDO (3)
(3 Vote)**

IT IS RECOMMENDED THAT THE BOARD OF SUPERVISORS:

Adopt and instruct the Chairman to sign a Resolution, as required under Section 147(f) of the Internal Revenue Code of 1986, approving the issuance of Multifamily Housing Mortgage Revenue Bonds by the Housing Authority of the County of Los Angeles, in an amount not exceeding \$6,400,000, to assist San Fernando Senior Housing, L.P. (the Developer) to finance the site acquisition and construction of San Fernando Senior Housing, a 98-unit affordable senior rental housing development to be located at three sites in the City of San Fernando, identified in Attachment A, known as the Las Palmas I, Las Palmas II, and Park Avenue sites.

IT IS RECOMMENDED THAT THE BOARD OF COMMISSIONERS OF THE HOUSING AUTHORITY:

1. Acting in the role of Responsible Agency for San Fernando Senior Housing, a 98-unit affordable senior rental housing development to be located at three sites in the City of San Fernando, identified in Attachment A, known as the Las Palmas I, Las Palmas II, and Park Avenue sites, certify that the Housing Authority of the County of Los Angeles has independently considered and reached its own conclusions regarding the environmental effects of the project and the Environmental Assessment/Mitigated Negative Declaration (EA/MND) and Mitigation Monitoring and Reporting Program (MMP) adopted by the Board of Supervisors of the County of Los Angeles, as Lead Agency, and determines that the EA/MND and MMP adequately address the environmental impacts of the project, and adopt by reference the County's environmental findings in connection with approval of the project.
2. Adopt and instruct the Chairman to sign a Resolution, as required under Section 34350.5 of the Health and Safety Code of the State of California, authorizing the issuance of Multifamily Housing Mortgage Revenue Bonds by the Housing Authority of the County of Los Angeles, in an amount not exceeding \$6,400,000, to assist San Fernando Senior Housing, L.P. (the Developer) to finance the site acquisition and construction of San Fernando Senior Housing.
3. Authorize the Executive Director to execute all related documents, following approval as to form by County Counsel, and take all necessary actions to finance acquisition and construction of San Fernando Senior Housing.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to authorize the issuance, sale and delivery of Multifamily Housing Mortgage Revenue Bonds to finance the acquisition and construction of San Fernando Senior Housing. This action will authorize the issuance of the Bonds, which bonds would then qualify for a tax exemption under Section 103 of the Internal Revenue Code of 1986.

FISCAL IMPACT/FINANCING:

No County costs will be incurred. The Developer will pay all fees and related costs.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The Housing Authority issues Multifamily Housing Mortgage Revenue Bonds on an ongoing basis to provide financing to increase the supply of multifamily housing for very low-, low- and moderate-income families throughout Los Angeles County.

On October 27, 2004, the Housing Authority conducted a public hearing at its office located at 2 Coral Circle in the City of Monterey Park, on the issuance of bonds to finance San Fernando Senior Housing, pursuant to Section 147(f) of the Internal Revenue Code of 1986. No comments were received at the public hearing concerning the issuance of the Bonds or the nature and location of the project.

On May 19, 2004, the Housing Commission recommended approval of the inducement of Multifamily Housing Mortgage Revenue Bonds for construction of San Fernando Senior Housing. On June 15, 2004, your Board adopted an Inducement Resolution declaring the intent of the Housing Authority to undertake the financing of Multifamily Housing Mortgage Revenue Bonds for the project in accordance with United States Treasury Department Regulations. This action established a base date after which costs incurred by the Developer of the project could be included in the acquisition, construction and permanent financing obtained pursuant to the issuance of tax-exempt bonds.

The development will consist of 96 senior units and two managers' units, of which 48 units will be reserved for very low-income seniors with incomes not exceeding 50 percent of the area median income (AMI) for the Los Angeles-Long Beach Metropolitan Statistical Area, adjusted for family size, as defined by the U.S. Department of Housing and Urban Development (HUD). The remaining 48 units will be reserved for seniors with incomes not exceeding 60 percent of the AMI. The affordability requirement will remain in effect for at least 55 years.

The attached resolutions, authorizing the Housing Authority to issue and sell the Bonds to finance the project, have been prepared by Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Housing Authority, and have been approved as to form by County Counsel. All other related documents are being submitted in substantially final form and will be approved as to form by County Counsel prior to execution by the authorized parties.

At its meeting of November 22, 2004, the Housing Commission recommended approval of this item.

Request for the approval of an increase in the Commission's Home Investment Partnerships (HOME) Program loan to the Developer for the project is being submitted to your Board as a separate item on today's agenda.

ENVIRONMENTAL DOCUMENTATION:

An Environmental Assessment was prepared for the San Fernando Senior Housing project pursuant to the requirements of the National Environmental Policy Act of 1969 (NEPA). Based on the conclusions and findings of the Environmental Assessment, a Finding of No Significant Impact was approved by the Community Development Commission on January 13, 2004. Following the required public and agency comment period, HUD issued a Release of Funds for the project on January 29, 2004.

Consistent with the provisions of the California Environmental Quality Act (CEQA) Guidelines, Article 14, Section 15221, notice was provided to the public that the Environmental Assessment would be used in place of an Initial Study to satisfy CEQA requirements. The Environmental Assessment and Mitigated Negative Declaration (EA/MND) was circulated for public review as required by state and local law. The Board of Supervisors of the County of Los Angeles, as Lead Agency, adopted the findings of the EA/MND on June 15, 2004. Adoption of the EA/MND and the Mitigation Monitoring and Reporting Plan, and filing of a Notice of Determination, meet the requirements of CEQA.

The environmental review record is available for viewing by the public during business hours at the Housing Authority's main office located at 2 Coral Circle, Monterey Park.

IMPACT ON CURRENT PROJECT:

The proposed action will increase the supply of affordable senior housing in the County.

Respectfully submitted,

CARLOS JACKSON
Executive Director

REPRESENTATIONS AND WARRANTIES

Section 2.1. Representations and Warranties of the Issuer. The Issuer represents, as of the date hereof, and warrants to the parties hereto as follows:

(a) The Issuer is a public body corporate and politic existing under the laws of the State, duly authorized to issue the Bonds and to perform its obligations under this Agreement.

(b) The Issuer Documents have been duly executed and delivered by the Issuer and, assuming due execution and delivery by all applicable parties, will constitute the legal, valid and binding obligations of the Issuer, enforceable in accordance with their terms, except as limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws or judicial decisions affecting the rights of creditors generally and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and the limitations of remedies against governmental agencies within the State.

(c) The Issuer will use its best efforts to issue the Bonds and use the proceeds thereof to fund the Loan, subject to the provisions of this Agreement. Nothing in this Agreement shall be construed as requiring the Issuer to provide sufficient moneys for all of the cost of financing the Project.

(d) To the best knowledge of the Issuer, there is no action, suit, proceeding, inquiry or investigation by or before any court, governmental agency or public board or body pending against the Issuer or threatened against the Issuer that (i) affects or seeks to prohibit, restrain or enjoin the issuance, execution or delivery of the Bonds, the origination of the Loan or the loaning of the proceeds of the Bonds to the Borrower, or the execution and delivery of the Issuer Documents, (ii) affects or questions the validity or enforceability of the Bonds or the Issuer Documents or (iii) questions the tax-exempt status of the Bonds.

Section 2.2. Representations, Warranties and Covenants of the Borrower. The Borrower represents, warrants and covenants that, as of the date hereof:

(a) The Borrower is an entity described in Section III.A of Exhibit A and is qualified to transact business in the State.

(b) The Loan Documents have been duly executed and delivered by the Borrower and, when executed by all applicable parties, will constitute the legal, valid and binding obligation of the Borrower, enforceable in accordance with their terms, except as limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws or judicial decisions affecting the rights of creditors generally and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

(c) The Borrower has duly authorized as necessary (i) the execution and delivery of the Loan Documents, (ii) the performance by the Borrower of its obligations hereunder and thereunder, and (iii) the consummation of the transactions contemplated by the Loan Documents.

(d) To the best knowledge of the Borrower, the execution and delivery of the Loan Documents, the performance by the Borrower of its obligations thereunder, and the

consummation of the transactions contemplated thereby do not and will not violate any law, regulation, rule or ordinance or any order, judgment or decree of any federal, state or local court, and do not and will not conflict with or constitute a material breach of, or a material default under, the Borrower's organizational documents, if any, or any document, instrument or commitment to which the Borrower is a party or by which the Borrower or any of its property is bound.

(e) There is no action, suit, proceeding, inquiry or investigation by or before any court, governmental agency or public board or body pending against the Borrower or, to the best knowledge of the Borrower, threatened against the Borrower (nor, to the best knowledge of the Borrower, is there any basis therefor) that (i) affects or seeks to prohibit, restrain or enjoin the execution and delivery of the Loan Documents, (ii) affects or questions the validity or enforceability of the Loan Documents or (iii) questions the power or authority of the Borrower to carry out the transactions contemplated by, or to perform its obligations contemplated by, or to perform its obligations under, the Loan Documents, or the powers of the Borrower to own, acquire, construct, equip, develop and/or operate the Project or to finance or refinance the Project.

(f) The Borrower is not in default in any material respect under any document, instrument or commitment to which the Borrower is a party or to which it or any of its property is subject which default would or could affect the ability of the Borrower to carry out its obligations under the Loan Documents.

(g) The total estimated amount of the Project Costs to be funded from proceeds of the Loan is as shown in the Tax Certificate.

(h) Neither the Loan Documents nor any document, certificate or statement (including but not limited to information and estimates with respect to the Project or the refinancing thereof) furnished to Lender, the Issuer or Bond Counsel, by or on behalf of the Borrower, contains, to the best knowledge of the Borrower, any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein and therein not misleading or incomplete as of the date hereof and as of Issue Date. It is specifically understood by the Borrower that all such statements, representations and warranties shall be deemed to have been relied upon by the Issuer as an inducement to make the Loan and that if any such statements, representations and warranties were materially incorrect at the time they were made or as of Issue Date, the Issuer may consider any such misrepresentation or breach a Loan Acceleration Default.

(i) Notwithstanding any provision to the contrary contained in its agreement of limited partnership, articles of incorporation, bylaws or any other organizational document, as applicable, the Borrower shall rent to families and individuals, as applicable, without regard to race, sex, national origin, disability, age or religious belief.

(j) If the Borrower or a partner of the Borrower is a nonprofit corporation or partnership, as applicable, the charter, bylaws and/or comparable organizational documents of the Borrower or such partner shall permit it to engage in the development, rehabilitation, construction, equipping, ownership and/or operation of the Project.

(k) Any certificate signed by a Borrower Representative and delivered pursuant to this Agreement shall be deemed a representation and warranty by the Borrower as to the statements made therein.

(l) The Borrower has filed or caused to be filed all federal, state and local tax returns or information returns which are required to be filed with respect to the Project, except such tax returns for which valid extensions have been granted and which have not expired, and of which the Borrower has knowledge and has paid or caused to be paid all taxes as shown on said return as payable other than those payable without penalty or interest.

(n) To the best of the Borrower's knowledge, no member of the governing body of the Issuer or any other officer of the Issuer has any significant or conflicting interest, financial, employment or otherwise, in the Borrower, the Project or the transactions contemplated hereby. The Issuer and the Borrower acknowledge that a member of the general partner of the Borrower is a commissioner of the Los Angeles County Housing Commission, an advisory body to the Issuer; and further, that said commissioner was recused from participating in any action affecting the issuance of the Bonds.

(o) The Borrower will not discriminate on the basis of race, religion, creed, color, ethnic group identification, sex, source of income (e.g., AFDC, SSI), mental or physical disability, age (except as permitted by applicable law), national origin or marital status in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the construction, operation and management of the Project.

(p) The Borrower will provide to the Issuer notice of any action (other than actions in its ordinary course of business) that adversely impacts the Issuer's rights hereunder or under the Regulatory Agreement.

(q) The Borrower acknowledges, represents and warrants that it understands the nature and structure of the transactions relating to the financing of the Project; that it is familiar with the provisions of all of the documents and instruments relating to such financing to which it is a party or of which it is a beneficiary; that it understands the risks inherent in such transactions, including, without limitation, the risk of loss of the Project; and that it has not relied on the Issuer for any guidance or expertise in analyzing the financial or other consequences of the transactions contemplated by this Agreement or otherwise relied on the Issuer in any manner.

Section 2.3. Representations and Warranties of Lender. Lender makes the following representations and warranties:

(a) Lender initially is a banking institution as described in Section II.I of Exhibit A.

(b) Lender has all power and authority necessary (i) to execute and deliver this Agreement, (ii) to perform its obligations under this Agreement, and (iii) to consummate the transactions contemplated by this Agreement.

(c) Lender has taken all actions necessary to authorize (i) the execution and delivery of this Agreement, (ii) the performance of its obligations under this Agreement and (iii) the consummation of the transactions contemplated by this Agreement.

(d) This Agreement has been duly executed and delivered by Lender and constitutes, assuming due execution and delivery by the other parties hereto and thereto, the valid and binding obligation of Lender, enforceable against Lender in accordance with its terms, except as limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting the rights of creditors generally and the exercise of judicial discretion in accordance with principles of general equity.

(e) To the knowledge of Lender, without inquiry, neither the execution and delivery by Lender of this Agreement, nor the performance by Lender of its obligations under any of the Loan Documents to which it is a party, nor the consummation of the transactions contemplated by such Loan Documents will violate any law, rule, regulation or ordinance, or any order, judgment or decree of any federal, state or local court or will conflict with, or constitute a breach of, or a default under, the charter or bylaws of Lender or under any agreement, instrument or commitment to which Lender is a party or by which Lender or any of its property is bound.

(f) To the knowledge of Lender, without inquiry, there is no action, suit, proceeding, inquiry or investigation by or before any court, governmental agency or public board or body pending or, to the knowledge of Lender, threatened against Lender (nor, to the best knowledge of Lender, is there any basis therefor), which (i) affects or seeks to prohibit, restrain or enjoin the execution and delivery by Lender of any of the Loan Documents to which it is a party; the performance by Lender of its obligations under such Loan Documents, or the consummation of the transactions contemplated by such Loan Documents, or (ii) affects or questions the validity or enforceability of such Loan Documents.

(g) To the knowledge of Lender, without inquiry, no approval, permit, consent, authorization or order of any court, governmental agency or public board or body not already obtained is required to be obtained by Lender as a prerequisite to the execution and delivery by Lender of the Loan Documents to which it is a party, the performance by Lender of its obligations under such Loan Documents or the consummation of the transactions contemplated by such Loan Documents.

(h) To the knowledge of Lender, without inquiry, it is not in default with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or governmental agency, which default might have consequences that would affect its performance hereunder.

(i) To the knowledge of Lender, without inquiry, it is not a party to or bound by any agreement or instrument or subject to any charter or any other corporate restriction or any judgment, order, writ, injunction, decree, law or regulation which now or in the future may materially and adversely affect the ability of Lender to perform its obligations under any of the Loan Documents to which it is a party, or which requires the consent of any third person to the execution of such Loan Documents, or the consummation of the transaction contemplated hereby.

(j) All fees charged by Lender in connection with the origination of the Loan are reasonable for lenders to charge in connection with similar loans not financed through the issuance of tax-exempt bonds.

(k) Any certificate signed by a representative of Lender and delivered pursuant to and concurrently with this Agreement shall be deemed a representation of Lender as to the statements made therein.

(l) Lender has executed a written commitment to cooperate with the Issuer so that the Issuer originates the Loan to the Borrower and the Lender acquires the Loan from the Issuer in the Principal Amount described in Section II.C of Exhibit A hereto, for the purpose of financing the development, construction and/or equipping of the Project. The commitment has been accepted by the Borrower, and Lender reasonably expects to acquire the Loan from the Issuer no later than the Issue Date.

(m) All funds currently held by Lender or any other party that are used to secure payment of the obligations of the Borrower under the Note are identified in the Tax Certificate.

ARTICLE III

ISSUANCE OF THE BONDS

Section 3.1. Issuance and Sale of the Bonds. The Bonds will be funded as draw-down Bonds. The Issuer hereby agrees to issue the Bonds and to sell and deliver the Bonds to Lender to provide funds for the Loan. The terms of the Bonds are as set forth in Section I of Exhibit A hereto. Simultaneously with the delivery of the Bonds and subject to the provisions set forth below, the Issuer shall make the Loan to the Borrower and, in order to secure payment for the Bonds, hereby transfers and assigns the Note and the Security to the Lender pursuant to the provisions hereof. The Lender shall execute and deliver the Construction Loan Agreement and the Lender Assignment as agent for the Issuer.

Section 3.2. Closing Procedure. Lender shall fund the purchase price of the Bonds on the Issue Date and from time to time thereafter, upon delivery of Bonds in an aggregate principal amount not greater than the applicable Face Amount. Such amounts shall be used by the Lender, as agent of the Issuer, to fund the Loan up to an amount equal to the applicable Principal Amount, subject to the terms and conditions of the Construction Loan Agreement.

The principal amount of the Bonds as of any given date shall be (i) the total amount advanced with respect to the Note by Lender to the Borrower on the Loan, less (ii) any

payments of principal on such Bonds previously received by the Registered Owner. Interest on the principal amounts disbursed on the Bonds, and not repaid, shall begin to accrue upon funding by Lender on the Issue Date and shall accrue daily and be calculated on the daily balance of the Bonds. Notwithstanding anything to the contrary herein, at least \$55,000 of the Bonds shall be purchased by the Lender on the Issue Date, and no additional purchases of the Bonds shall be made later than the third anniversary of the Issue Date.

Section 3.3. Delivery of the Bonds and Closing of the Loan. The delivery of the Bonds and the closing of the Loan shall not occur until the following conditions are satisfied:

- (a) The Issuer shall have received original executed Loan Documents.
- (b) The Issuer shall have received (i) certified copies of resolutions of the Borrower authorizing all actions taken or to be taken in connection with each of the Loan Documents, if applicable, (ii) an opinion of Counsel to the Borrower in substantially the form set forth in Exhibit C-1 hereto and acceptable to the Issuer, and (iii) an opinion of Counsel to Lender in substantially the form set forth in Exhibit C-2 hereto and acceptable to the Issuer.
- (c) The Issuer shall have received the Investor Letter, the additional documents specified in Section V.A of Exhibit A hereto, if any, and such other documents as it may reasonably require.
- (d) The Issuer shall have executed and delivered to Lender the Lender Assignment and the Assignment of Security, for security purposes only, to secure all obligations of the Issuer under the Bonds.
- (e) No Loan Acceleration Default nor any event which with the passage of time or the giving of notice would constitute a Loan Acceleration Default under the Loan Documents shall have occurred.
- (f) Bond Counsel shall have delivered its final opinion with respect to the Bonds and the federal tax status thereof.
- (g) The Borrower shall have paid or caused to be paid an amount equal to the Issuance Costs, as required by the Issuer.
- (h) The Regulatory Agreement and the Security shall have been recorded, in such order, in the official records of the County of Los Angeles.
- (i) All conditions to the making of the Loan set forth in Section 7 of the Construction Loan Agreement shall have been satisfied or waived by the Lender.

Section 3.4. Terms of the Bonds.

- (a) The Bonds shall be delivered in physical form, fully registered and numbered, and shall be in the principal amount funded by Lender, bear interest on the principal amount funded by Lender at the Interest Rate and contain such terms as are

described in Section I of Exhibit A hereto. The Bonds shall initially be in the form set forth in Exhibit B hereto.

Payments of principal of and interest on the Bonds shall be made to the Registered Owner in accordance with the interest rate and amortization provisions in the Note.

All payments made by the Borrower to Lender under the Note shall be deemed due and owing on the Bonds to the same extent due and owing on the Note and the payments or prepayments of principal, interest, premiums and other costs and expenses, shall be identical under the Bonds with, and shall be made on the same terms and conditions as such payments are made on, the Note. Said payments by the Borrower under the Note shall be deemed to have been constructively received by the Registered Owner as payments on the Bonds on the date of receipt of the same by Lender under the Note.

Principal of, premium, if any, and interest on the Bonds shall be payable only from the Revenues. Issuer hereby pledges the Revenues to secure the payment of principal of and interest on the Bonds and agrees that all Revenues received, and only such Revenues, shall be applied to pay to the Registered Owner when due and payable principal of, premium, if any, and interest on the Bonds on a pro rata basis. Upon receipt of payment in full of the outstanding principal balance of the Bonds, Lender shall immediately deliver the Bonds to the Issuer for cancellation.

(b) Upon Conversion, Lender, the Borrower and the Issuer shall execute such instruments of assignment and transfer related to the Note and the related Security as the Permanent Lender shall reasonably request; provided that the Permanent Lender must assume the obligations of Lender and the Registered Owner under this Agreement.

Section 3.5. Redemption of the Bonds.

(a) Mandatory Redemption. The Bonds are subject to mandatory redemption at a price equal to the principal amount of the Bonds to be redeemed plus accrued interest thereon to the date fixed for redemption, without premium in the case of (i), (ii) or (iii) below, or plus premium calculated as provided in the Loan Agreement and the Note, if any, as provided therein in the case of (iv), (v) or (vi) below, as follows:

(i) in whole on the Mandatory Conversion Date (as defined in the Construction Loan Agreement and as such date may be extended in accordance with the terms and provisions of the Construction Loan Agreement), if the Conversion has not occurred by such date;

(ii) in part, on the Conversion Date, in the amount necessary to reduce the principal amount of the Bonds to \$3,024,000, plus such additional amount (in integral multiples of \$1,000) as may be required to satisfy the conditions for Conversion set forth in the Tri-Party Agreement;

(iii) in whole or in part, on the first Business Day of the any month (in integral multiples of \$1,000), in accordance with the Security and the Loan Agreement, to the extent that all or part of any insurance or condemnation proceeds will not be used to repair or replace the Project or to reimburse the Borrower therefor, in a principal amount equal to the proceeds not used for such repair or replacement;

(iv) in whole upon the occurrence of an Event of Default under the Loan Agreement and the election of the Lender to cause redemption hereunder;

(v) in whole, on any date, if there occurs a Transfer that fails to comply with the requirements of Section 5.3(a) hereof; and

(vi) in whole, upon the receipt by all parties of a notice of a Loan Acceleration Default hereunder.

(b) Sinking Fund Redemptions. The Bonds are subject to mandatory redemption, in part (in integral multiples of \$1,000), at a price equal to the principal amount of the Bonds to be redeemed plus accrued interest thereon to the date fixed for redemption, without premium, upon and in the amount of Scheduled Principal Payments as that term is defined in the Note.

(c) Optional Redemption. The Bonds are subject to optional redemption, in whole or in part (in integral multiples of \$1,000), upon and in the amount of any prepayment of the Note in accordance with the terms thereof, on the first Business Day of any month at a redemption price equal to the principal amount of the Bonds to be redeemed, plus accrued interest thereon to the date fixed for redemption, plus premium, if any, calculated as provided in the Loan Agreement and the Note.

(d) Miscellaneous.

(i) If the Bonds are redeemed pursuant to Section 3.5(a)(i), (iv), (v) or (vi) hereof, payment of the redemption price shall be deemed made by the Issuer's absolute assignment to the Registered Owner of all right, title and interest of the Issuer in the Note and the Security. In the event of any other redemption of the Bonds, payment of the redemption price shall be made with Revenues.

(ii) Upon payment of the redemption price in accordance with this Section 3.5, the Bonds or portion thereof so redeemed shall cease to bear interest from and after the date on which the redemption price is paid. If the Bonds are redeemed in whole, Lender shall immediately deliver the Bonds to the Issuer for cancellation.

(iii) Upon the redemption of any Bond, interest on such Bond shall cease to accrue; provided that, in the event the Note and the Security are assigned to the Lender in connection with the redemption of the Bonds, interest on the Note and with respect to the Security shall continue to accrue.

(iv) Notice of any redemption hereunder shall be provided as required under Section 4.6(c).

Section 3.6. Registration and Transfer. The Lender, on behalf of the Issuer, shall maintain the registration book containing the name and address of the registered owner of the Bonds. The Lender shall be considered, for all purposes, the registered owner of the Bonds unless the registration books maintained by the Lender indicate a different owner. Lender hereby acknowledges that the Issuer has agreed to sell the Bonds to Lender, to enter into this Agreement and to consummate the transactions hereunder only upon Lender agreeing that it will not sell, assign or transfer the Bonds or any interest therein, or any interest in the proceeds thereof, except to the Permanent Lender on the Conversion Date in accordance with the terms of the Tri-Party Agreement or in whole to a Qualified Institutional Buyer, and Lender so agrees. Prior to any transfer of the Bonds, the transferor shall provide written notice to the Issuer of such transfer including the name and address of the transferee.

The Registered Owner acknowledges, by reason of its purchase of Bonds and being the Registered Owner thereof, that the Issuer has agreed to issue and deliver the Bonds to the Registered Owner, to enter into this Agreement and to consummate the transactions hereunder only upon the Registered Owner's agreement that the Registered Owner shall not sell, assign or transfer any portion of the principal amount of the Bonds or any interest therein, or any interest in the proceeds thereof, except to the Permanent Lender upon the Conversion Date or to a Qualified Institutional Buyer. The Bonds may be sold, assigned or transferred only as a whole or to a Registered Owner who will, upon such sale, assignment or transfer, be the Registered Owner of all of the outstanding Bonds. No transfer of the Bonds shall be valid except transfers made in compliance with this Section 3.6.

Nothing contained in this Section 3.6 shall be deemed to limit or otherwise restrict the sale by any holder of any participation interests in any Bond to a Qualified Institutional Buyer (in which event such holder shall remain holder for all purposes of this Agreement); provided any such participation shall be in a principal amount of at least \$250,000.

Section 3.7. Limitation on Liability of Issuer. The Issuer shall not be obligated to pay the principal of, premium, if any, or interest on the Bonds, except from the Revenues. Lender hereby acknowledges that the Issuer's sole source of moneys to pay principal of, premium, if any, or interest on the Bonds will be provided by the Revenues.

Any obligation or liability of the Issuer created by or arising out of this Agreement (including without limitation any liability created by or arising out of the representations, warranties or covenants set forth herein or otherwise) shall not impose a debt or pecuniary liability upon the Issuer or a charge upon its general credit, but shall be payable solely out of the Revenues or, pursuant to Section 3.5(d) hereof, by absolute assignment of all of the Issuer's right, title and interest in the Note and Security. Neither the issuance of the Bonds nor the delivery of this Agreement shall, directly or indirectly or contingently, obligate the Issuer to make any appropriation for payment of the Bonds. Nothing in the Bonds or this Agreement or the proceedings of the Issuer authorizing the Bonds or in the Act or in any other related document shall be construed to authorize the Issuer to create a debt of the Issuer within the meaning of any constitutional or statutory provision of the State of California. No breach of any

pledge, obligation or agreement of the Issuer hereunder may impose any pecuniary liability upon the Issuer or any charge upon its general credit.

THE BONDS AND THE INTEREST THEREON ARE A LIMITED OBLIGATION OF THE ISSUER, PAYABLE SOLELY FROM REVENUES. NEITHER THE ISSUER, OR THE MEMBERS OF ITS BOARD OF COMMISSIONERS, THE STATE OF CALIFORNIA (THE "STATE"), NOR ANY POLITICAL SUBDIVISION THEREOF (EXCEPT THE ISSUER, TO THE LIMITED EXTENT SET FORTH IN THIS AGREEMENT) NOR ANY PUBLIC AGENCY SHALL IN ANY EVENT BE LIABLE FOR THE PAYMENT OF THE PRINCIPAL OF, PREMIUM (IF ANY) OR INTEREST ON THE BONDS OR FOR THE PERFORMANCE OF ANY PLEDGE, OBLIGATION OR AGREEMENT OF ANY KIND WHATSOEVER EXCEPT AS SET FORTH HEREIN, AND NONE OF THE BONDS OR ANY OF THE ISSUER'S AGREEMENTS OR OBLIGATIONS SHALL BE CONSTRUED TO CONSTITUTE AN INDEBTEDNESS OF OR A PLEDGE OF THE FAITH AND CREDIT OF OR A LOAN OF THE CREDIT OF OR A MORAL OBLIGATION OF ANY OF THE FOREGOING WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION WHATSOEVER. THE ISSUER HAS NO TAXING POWER.

No pecuniary recourse shall be had for the payment of the principal of, premium, if any, or interest on the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this Agreement contained, against the Issuer, any past, present or future member of its governing body, its officers, attorneys, accountants, financial advisors, agents or staff or the officers, attorneys, accountants, financial advisors, agents or staff of any successor public entity, as such, either directly or through the Issuer or any successor public entity, under any rule of law or penalty of otherwise, and all such liability of the Issuer, any member of its governing body and its officers, attorneys, accountants, financial advisors, agents and staff is hereby, and by the acceptance of the Bonds, expressly waived and released as a condition of, and in consideration for, the execution of this Agreement and the issuance of the Bonds.

It is recognized that notwithstanding any other provision of this Agreement, neither the Borrower, the Lender, nor any holder of the Bonds shall look to the Issuer, or its officers, Commissioners, attorneys, accountants, financial advisors, agents or staff for damages suffered by the Borrower, the Lender or such holder of the Bonds as a result of the failure of the Issuer to perform any covenant, undertaking or obligation under this Agreement, the Bonds, the Regulatory Agreement, any of the Loan Documents or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Issuer in any of such documents, nor for any other reason except for representations made by the Issuer in any certificate of the Issuer and the opinion of counsel to the Issuer delivered on the Issue Date. Although this Agreement recognizes that such documents shall not give rise to any pecuniary liability of the Issuer, nothing contained in this Agreement shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Issuer) in any court or before any governmental body, agency or instrumentality or otherwise against the Issuer or any of its officers or employees to enforce the provisions of any of such documents that the Issuer is obligated to perform and the performance of which the Issuer has not assigned to the Lender or any other person.

Section 3.8. No Warranty. The obligation of the Issuer hereunder to issue the Bonds and to provide funds to finance and/or refinance the Project Costs does not in any way constitute a representation, a warranty, a guaranty, advice or suggestion by the Issuer as to the feasibility or viability of the Project or the financing or refinancing thereof, and may not be relied on as such by the Borrower, Lender, any Registered Owner of the Bonds or any tenant, lender or other person, for any reason.

Section 3.9. Execution of Bonds. Each Bond shall be executed on behalf of the Issuer by the manual or facsimile signature of the Chairman of the Board of Commissioners and countersigned by the manual or facsimile signature of the Executive Officer-Clerk of the Board of Commissioners. Bonds bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Issuer shall bind the Issuer, notwithstanding that such individuals or any of them shall have ceased to hold such offices prior to the authentication and delivery of the Bonds or shall not have held such offices at the date of the Bonds.

ARTICLE IV

THE LOAN

Section 4.1. Amount and Source of Loan. In order to secure payment for the Bonds, the Issuer hereby agrees to make the Loan to the Borrower, and the Borrower hereby (a) accepts the Loan upon the terms and conditions set forth in the Loan Documents, (b) agrees to execute and deliver the Note and Security simultaneously with the execution of this Agreement, and (c) agrees to have the proceeds of the Loan applied and disbursed in accordance with Section 4.2 and the Construction Loan Agreement. The Loan shall be deemed made, subject to subsequent disbursements pursuant to Section 4.2, when Lender acknowledges receipt of the Bonds and satisfaction of the conditions specified in Section 3.3 hereof. To the extent there is an inconsistency between the terms of the Note and the terms of this Agreement, the terms of the Note shall prevail.

The Issuer hereby assigns without recourse or warranty (except for warranties and representations made as of their date) the Note and the Security to Lender (the "Assignment of Security"), and Lender hereby accepts such assignment. The Issuer also acknowledges the execution and delivery by the Lender, as agent for the Issuer, of the Lender Assignment. The Borrower hereby consents to the Assignment of Security and to the Lender Assignment. Lender shall file financing statements and other documents as it deems necessary or desirable to perfect its security interests, and the Issuer and the Borrower hereby consent to all such filings. Lender and the Issuer agree that the Issuer shall have no responsibility for the perfection of Lender's security interest in the Note and the Security.

Section 4.2. Disbursement of Loan Proceeds. The Borrower and Lender agree that Lender shall fund the Loan, as agent for the Issuer, from time to time by purchase of the Bonds to fund payment of Project Costs. The proceeds of the Loan shall be disbursed in accordance with the Construction Loan Agreement on the Issue Date and from time to time thereafter to pay requisitions submitted by the Borrower and approved by the Lender in accordance with the terms and conditions of the Construction Loan Agreement for amounts due and owing by the Borrower to third parties with respect to Project Costs or to reimburse the Borrower for Project Costs it

expended subsequent to the date sixty (60) days before the date specified in Section II.K of Exhibit A hereto.

Section 4.3. Loan Repayment. On each Interest Payment Date, the Borrower shall pay to the Issuer, in repayment of the Loan, until such principal of, premium, if any, and interest on the Note shall have been paid in full as provided in the Note and the Loan Agreement, an amount which will equal the sum of (i) the interest on the Note and the Loan Agreement that is due on such Interest Payment Date and (ii) the principal of and premium, if any, on the Note due on such Interest Payment Date. The Issuer hereby directs the Borrower to make such Loan repayments to Lender. Payments made on the Bonds, which shall be made on a pro rata basis, shall be deemed to be made on the same date and in the same amount as payments on the Note.

Upon receipt and deposit of such funds with Lender, such funds shall be held in trust for Lender separately and apart from all other funds of Lender, and Lender shall immediately remit to Lender amounts equal to principal and interest due and payable under the Bonds.

Section 4.4. Additional Payments. In addition to the payments of principal and interest on the Loan and other payments as may be provided for in the Note, the Security, the Loan Agreement or any other Loan Document, the Borrower shall make the following additional payments to Lender, and Lender shall forward such amounts to the persons entitled thereto:

(a) On the Issue Date and on each December 1, following the Issue Date, immediately to the Lender for disbursal to the Issuer, the Annual Fee.

(b) Forthwith upon written notification from the Rebate Analyst (A) any costs incurred by the Rebate Analyst for the calculation of the Rebate Amount, and (B) any amounts required to be paid to the United States of America as the Rebate Amount.

(c) Such additional fees and expenses of the Issuer in connection with the issuance and delivery of the Bonds and the making of the Loan or as may be required in the monitoring of the Regulatory Agreement, any amendment of the Loan Documents or with respect to any audits of the Project or the financials thereof by or on behalf of the Issuer or any audits to be performed by or on behalf of the Issuer regarding the Loan or the Bonds.

(d) All other amounts payable pursuant to the Loan Agreement.

Any amounts payable to the Issuer but not paid in accordance with this Section 4.4 shall bear interest at a rate of one percent (1%) per month until paid. The Lender shall have no liability to the Issuer for any amounts owing to the Issuer by the Borrower but not paid by the Borrower.

Section 4.5. Nature of the Borrower's Obligations.

(a) The Borrower shall repay the Loan and make the additional payments pursuant to the terms of Sections 4.3 and 4.4 of this Agreement and the Note, irrespective of any rights of setoff, recoupment or counterclaim it might have against the Issuer, Lender or any other person, provided that any such payment shall not constitute a waiver by the Borrower of any claim for recoupment or of any counterclaim. The Borrower will

not suspend, discontinue or reduce any such payment or (except as expressly provided herein) terminate this Agreement for any cause, including, without limiting the generality of the foregoing: (i) any delay or interruption in the acquisition, construction, equipping or operation of the Project; (ii) the failure to obtain any permit, order or action of any kind from any governmental issuer relating to the Loan or the Project; (iii) any event constituting force majeure; (iv) any acts or circumstances that may constitute commercial frustration of purpose; (v) the termination of this Agreement or any of the other Loan Documents; (vi) any change in the laws of the United States of America, the State or any political subdivision thereof; or (vii) any failure of the Issuer to perform or observe any covenant, whether expressed or implied, or to discharge any duty, liability or obligation arising out of or connected with the Note; it being the intention of the parties that, as long as the Note or any portion thereof remains outstanding and unpaid, the obligation of the Borrower to repay the Loan and provide such moneys shall continue in all events. This Section 4.5 shall not be construed to release the Issuer from any of its obligations hereunder, or, except as provided in this Section 4.5 to prevent or restrict the Borrower from asserting any rights which it may have against the Issuer or Lender under this Agreement, or under any provision of law, or to prevent or restrict the Borrower, at its own cost and expense, from prosecuting or defending any action or proceeding by or against the Issuer or Lender or taking any other action to protect or secure its rights.

(b) Following Conversion and subject to the provisions of paragraph (c) below, the personal liability of the Borrower or any general partner of the Borrower to pay the principal of and interest on the debt evidenced by the Note, this Agreement, the Loan Agreement and any other agreement evidencing the Borrower's obligations under this Agreement, the Loan Agreement, the Note and the Security shall be limited to (1) the Project, (2) the Security, (3) the personal property pledged under any Loan Document and (4) the rents, profits, issues, products and income of the Project received or collected by or on behalf of the Borrower (the "Rents and Profits").

Except as provided in paragraph (c) below, following Conversion, the Issuer, Lender and the Registered Owner shall not seek (a) any judgment for a deficiency against the Borrower nor any partner of the Borrower, nor the Borrower's or any general partner's heirs, legal representatives, successors or assigns, in any action to enforce any right or remedy under the Security, nor (b) any judgment on the Note except as may be necessary in any action brought under the Security to enforce the lien against the Project or to exercise any remedies under any Loan Document.

(c) Notwithstanding paragraph (b) above, the Borrower and each general partner of the Borrower (each individually, or on a joint and several basis if more than one) shall be personally liable on a joint and several basis, in the amount of any loss, damage or cost (including but not limited to reasonable attorneys' fees) resulting from one or more of the following:

(A) fraud or intentional misrepresentation by the Borrower, the Borrower's agents or employees or any general partner of the Borrower in connection with obtaining the loan evidenced by this Agreement, the Loan

Agreement, the Note or in complying with any of the Borrower's obligations under the Loan Documents;

(B) insurance proceeds, condemnation awards, security deposits from tenants or other sums or payments received by or on behalf of the Borrower in its capacity as owner of the Project and not applied in accordance with the provisions of the Deed of Trust (except to the extent that the Borrower did not have the legal right, because of a bankruptcy, receivership or similar judicial proceeding, to direct disbursement of such sums or payments);

(C) all Rents and Profits actually received by the Borrower not applied, first, to the payment of the reasonable operating expenses as such operating expenses become due and payable, and, then, to the payment of principal and interest then due and payable under this Agreement, the Loan Agreement, the Note and any other sums due under the Security and all other Loan Documents (including but not limited to deposits or reserves payable under any Loan Documents) (except to the extent that the Borrower did not have the legal right, because of a bankruptcy, receivership or similar judicial proceeding, to direct the disbursement of such sums);

(D) the Borrower's failure to pay transfer fees and charges due the Trustee or the Beneficiary under the Deed of Trust (as defined in the Deed of Trust);

(E) the Borrower's failure following a Default under any of the Bond Documents or the Loan Documents to deliver to Lender or the Registered Owner, on demand, all Rents and Profits, security deposits (except to the extent that the Borrower did not have the legal right because of a bankruptcy, receivership or similar judicial proceeding to direct the disbursement of such sums), books and records relating to the Project;

(F) commission of material waste by the Borrower (or any partner, officer, director or agent of the Borrower or any guarantor or owner of any collateral);

(G) the presence or release of any "Hazardous Substance" (as defined in the Deed of Trust) on, in or under the Project; and

(H) any Rebate Amount payable to the United States Government or any audit of the Project or the Bonds by the Internal Revenue Service.

No provision of this paragraph (c) shall (i) affect any guaranty or similar agreement executed in connection with the debt evidenced by the Note, this Agreement or the Loan Agreement, (ii) release or reduce the debt evidenced by the Note, this Agreement or the Loan Agreement, (iii) impair the right of Lender or the Registered Owner to enforce any provisions of the Security,

(iv) impair the lien of the Security, or (v) impair the right of the Issuer, Lender or the Registered Owner to enforce the provisions of any Loan Document. Nothing herein shall directly or indirectly limit the right of the Issuer, Lender or the Registered Owner to collect or recover any collateral from the Borrower or any person holding or receiving the same, including any partner, shareholder or affiliate who receives the Rents and Profits assigned to the Issuer, Lender or the Registered Owner after the same become payable to the Issuer, Lender or the Registered Owner or under circumstances where the same are recoverable by the Issuer, Lender or the Registered Owner under applicable law or by contract. Furthermore, nothing in any other provision of the Note, this Agreement or the Loan Agreement or the other Bond Document or Loan Document shall be deemed to limit the Issuer's, Lender's or the Registered Owner's right to enforce collection from the Borrower (or any other person liable therefor) of all reasonable attorneys' fees, costs, expenses, indemnity liabilities and other amounts payable to the Issuer, Lender or the Registered Owner apart from principal or interest owing under the Note, including, but not limited to, the Issuer Fee and reasonable extraordinary costs and expenses, including, but not limited to, legal fees and reasonable out-of-pocket costs and expenses of Bond Counsel and counsel to the Issuer incurred in connection with the interpretation or enforcement of this Agreement or the other Loan Documents and indemnification under Section 5.8 hereof and under equivalent provisions of the other Loan Documents; provided, however, said indemnification provisions shall not following Conversion, be deemed to create any personal liability of the Borrower or any of its partners for the payment of principal and interest under the Note.

This paragraph (c) shall apply only to principal constituting the original Loan evidenced by the Note and interest accrued thereon under the Note and shall not affect other indebtedness owing under the Loan Documents.

Nothing in this paragraph (c) shall be interpreted to subordinate any obligation or liability of the Borrower to the Issuer, Lender or the Registered Owner to any operating expenses, and upon a Default, the Issuer, Lender or the Registered Owner may apply Rents and Profits to any secured or unsecured obligation owing to the Issuer, Lender or the Registered Owner, in any order.

Notwithstanding anything herein to the contrary, no limited partner of the Borrower who holds only a limited partnership interest in the Borrower (to the extent it continues to act in a capacity as a limited partner of the Borrower) shall have any personal liability regarding the Note or the Security.

Section 4.6. Prepayment of Note.

(a) The Note shall be prepaid in accordance with its terms, in whole or in part, as applicable, at the times and in the amounts sufficient to redeem Bonds in accordance with Section 3.5(a).

(b) In the event of a partial prepayment of the Note, the principal amount of the Borrower's obligation under the Note shall be reduced by the principal amount of the Note prepaid, and such prepayment shall correspondingly reduce the principal balance of the Bonds.

(c) The Borrower shall provide notice of any prepayment of the Note to the Issuer and the Lender not less than 20 days prior to the date of such prepayment. Each notice of prepayment required by this Section 4.6 shall state the date set for prepayment, the principal to be prepaid on the Note and the reason for prepayment. Such notice also shall state that the applicable Bonds shall be redeemed, in whole or in part, in a principal amount equal to the amount of the prepayment of the Note, on the date set for such prepayment.

(d) If the Note is prepaid in full but the Regulatory Agreement is still in effect, then at the time of prepayment of the Note and thereafter, the Borrower shall pay to the Issuer such amounts as are required by Section 20 of the Regulatory Agreement.

Section 4.7. [Reserved.]

Section 4.8. Insurance and Condemnation Proceeds.

(a) The Borrower shall, throughout the term of this Agreement, obtain insurance for the Project to the extent required and in accordance with the Loan Agreement and the Security.

(b) Lender shall hold, apply and disburse all insurance proceeds or condemnation awards in accordance with the Loan Agreement and the Security.

ARTICLE V

FURTHER AGREEMENTS

Section 5.1. Successor to the Issuer. The Issuer will at all times use its best efforts to maintain the powers, functions, duties and obligations now reposed in it pursuant to law or assure the assumption of its obligations hereunder by any public trust or political subdivision succeeding to its powers.

Section 5.2. Borrower to Maintain its Existence as a Corporation or a Partnership; Conditions Under Which Exceptions Permitted. In the event that the Borrower is a partnership or a corporation, the Borrower agrees that during the term of this Agreement it will maintain its existence as a partnership or corporation, as applicable; will continue to be duly qualified to do business in the State; and will neither dispose of all or substantially all of its assets nor consolidate with or merge into another entity, unless the Borrower shall have prepaid the Note in full or (i) the Borrower shall have first filed with the Issuer an opinion of Bond Counsel to the effect that such disposal of assets, consolidation or merger will not cause the interest on the Bonds to become subject to federal or state income taxation, (ii) the acquirer of its assets or the entity with which it shall consolidate or into which it shall merge shall be an entity, organized and existing under the laws of the United States of America or one of the states of the United States of America and shall be qualified and admitted to do business in the State, (iii) such acquiring or remaining entity shall assume in writing all of the obligations of the Borrower under the Loan Documents, subject to all of the limitations of liability applicable to the Borrower, (iv) Lender shall have provided consent in writing to such disposition, consolidation

or merger, and (v) Lender shall have furnished to the Issuer within ten (10) days after any such action notice thereof an executed original document evidencing said assumption.

As soon as practicable but not less than fifteen (15) days prior to the intended disposition of assets, consolidation or merger, Lender shall notify the Issuer of such intended transaction, provided that Lender has notice thereof.

Section 5.3. Sale or Conveyance of the Project. (a) The Borrower shall not voluntarily Transfer the Project or any portion thereof (other than for any incidental use, to the extent permissible under all applicable federal and state laws, and regulations, or by granting a security interest junior to the Security and the Note) except (i) with the written consent of the Lender (as required pursuant to the Loan Agreement and the Security); (ii) upon compliance with all of the terms of Section 12 of the Regulatory Agreement applicable to such Transfer; (iii) upon payment to the Issuer of the expenses incurred by the Issuer in connection with the Transfer; and (iv) upon a determination by the Issuer, with regard to any project of the proposed Transferee financed by the Issuer, that the proposed Transferee is not now in arrears on any payments of fees due and owing to the Issuer or in default under any agreement with the Issuer, beyond any applicable grace period or cure period and the proposed Transferee has a documented history of satisfactory compliance with provisions equivalent to those in this Agreement, the Regulatory Agreement and the Tax Certificate.

(b) If the proposed Transferee does not meet all requirements set forth in Section 5.3(a), the proceeds of said Transfer in excess of the outstanding principal balance of the Note and accrued interest to such date shall be retained by the Borrower and, provided further that until prepayment in full of the Note and the corresponding redemption of the Bond, this Agreement, the Tax Certificate, the Note and the Security shall remain in full force and effect, and the Borrower and the Project shall retain all obligations hereunder and thereunder.

(c) As soon as practicable and not later than 15 days prior to the intended date of Transfer of the Project of which the Lender has notice, the Lender shall notify the Issuer of such transaction. As soon as practicable following such transaction of which the Lender has notice, the Lender shall provide to the Issuer copies of any executed documents obtained by the Lender evidencing the transfer of title to the Project and any written assumption by the Transferee of the Loan Documents, as well as copies of all other documents obtained by the Lender that may be executed in regard to such Transfer.

(d) No Transfer of the Project in violation of Section 5.3(a) or (b) hereof shall relieve the Borrower or the Project of obligations under this Agreement, the Regulatory Agreement or the Tax Certificate.

Without limitation of the foregoing, nothing in this Section shall constitute a waiver of any term or provision of the Loan Agreement, the Deed of Trust or any other Loan Document which prohibits the Borrower from selling, assigning, encumbering, transferring or otherwise disposing of the Property or any part thereof or interest therein (whether direct or indirect), or requires the Borrower to obtain consent of the Lender, Registered Owner or any other individual or entity to any such sale, assignment, encumbrance, transfer or other disposition. Borrower

acknowledges and agrees that neither the Lender nor the Registered Owner has consented to any such sale, assignment, encumbrance, transfer or other disposition.

Section 5.4. Tax-Exempt Status of the Bonds. It is the intention of the parties hereto that interest on the Bonds shall be and remain excluded from gross income for federal income tax purposes and to that end the covenants and agreements of the Issuer and the Borrower in this Section are for the benefit of the holders of the Bonds.

(a) The Borrower and the Issuer covenant and agree that they have not taken or permitted to be taken and will not take or permit to be taken any action that will cause the interest on the Bonds to become included in gross income for federal income tax purposes pursuant to the Code or cause the Bonds to become an “arbitrage bond” within the meaning of Section 148 of the Code; provided that none of the covenants and agreements herein contained shall require either the Borrower or the Issuer to enter an appearance or intervene in any administrative, legislative or judicial proceeding in connection with any changes in applicable laws, rules or regulations or in connection with any decisions of any court or administrative agency or other governmental body affecting the taxation of interest on the Bonds; and provided, further, that each party’s responsibility under this Section shall be limited to actions within its respective control.

(b) The Borrower agrees to cause the calculation of the Rebate Amount pursuant to and in conformance with the provisions of the Code and the Tax Certificate. The Borrower agrees to pay, in accordance with Section 4.4(b) hereof, the costs of the calculation of the Rebate Amount and the amount of the Rebate Amount, if any, owing to the United States of America on the Bonds.

(c) The Borrower agrees to comply with all requirements set forth in the Tax Certificate, which by reference is incorporated herein.

(d) The Borrower covenants and agrees that at least 97% (95% with an opinion of Bond Counsel) of the proceeds of the Bonds shall be expended to pay or reimburse Qualified Project Costs (as defined in the Tax Certificate).

(e) The Borrower agrees that the Note may not be amended in any way that affects payment terms of the Bonds except upon receipt by the Issuer of an opinion of Bond Counsel to the effect that such amendment will not cause the interest on the Bonds to become subject to federal income taxation.

Section 5.5. Additional Instruments. The Borrower hereby covenants to execute and deliver such additional instruments and to perform such additional acts as may be necessary, in the reasonable opinion of the Issuer or Lender, to carry out the intent of the Loan Documents or to perfect or give further assurances of any of the rights granted or provided for in the Loan Documents, provided that no such instruments shall expand the liability of the Borrower hereunder.

Section 5.6. Books and Records.

(a) The Borrower hereby covenants to permit the Issuer, Lender or their duly authorized representatives access during normal business hours to the books and records of the Borrower pertaining to the Loan and the Project, and to make such books and records available for audit and inspection, at reasonable times and under reasonable prior notice and other conditions, to the Issuer and Lender and their duly authorized representatives.

(b) Lender hereby agrees to retain all requisitions submitted by the Borrower pertaining to the Loan and the Project for a period of six years from the date of the final payment on the Bonds. Lender hereby agrees to retain all records in its possession pertaining to the Bonds and the Project for a period of six years from the date of the final payment on the Bonds. Upon any transfer of the Bonds, Lender shall deliver such records to the new Registered Owner.

Section 5.7. Notice of Certain Events. The Borrower covenants to advise the Issuer and Lender promptly in writing of the occurrence of any Default hereunder or any event which, with the passage of time or service of notice, or both, would constitute a Loan Acceleration Default hereunder, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto. In addition, the Borrower hereby covenants to advise the Issuer and Lender promptly in writing of the occurrence of any default under the Loan Documents or of the occurrence of an Act of Bankruptcy of the Borrower.

Section 5.8. Indemnification of the Issuer. To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Issuer and each of its officers, Commissioners, officials, employees, attorneys and agents (collectively, the “Indemnified Parties”) against any and all losses, damages, claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under or any statutory law (including federal or state securities laws) or at common law or otherwise, arising out of or based upon or in any way relating to:

(a) the Loan Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the issuance, sale, resale or remarketing of the Bonds, but excluding nonpayment of the Note;

(b) any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Loan (other than nonpayment of the Note) or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or any part thereof;

(c) any lien or charge upon payments by the Borrower to the Issuer and Lender hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Issuer or Lender in respect of any portion of the Project;

(d) any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof;

(e) the defeasance and/or redemption, in whole or in part, of the Bonds;

(f) any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower contained in any offering statement or disclosure or continuing disclosure document for the Bonds or any of the documents relating to the Bonds to which the Borrower is a party, or any omission or alleged omission from any offering statement or disclosure or continuing disclosure document for the Bonds of any material fact necessary to be stated therein in order to make the statements made therein by the Borrower, in the light of the circumstances under which they were made, not misleading; and

(g) any declaration of taxability of interest on the Bonds, or allegations (or regulatory inquiry) that interest on the Bonds is taxable, for federal tax purposes;

except to the extent such damages are caused by the willful misconduct of such Indemnified Party. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel reasonably acceptable to the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion, provided that the Indemnified Party shall have the right to review and approve or disapprove any compromise or settlement which gives rise or may give rise to liability on the part of such indemnified party. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may employ only separate counsel at the expense of the Borrower if in the judgment of such Indemnified Party a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless such Indemnified Party has consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

The rights of any persons to indemnity and to payment of fees and reimbursement of expenses hereunder shall survive the final payment or defeasance of the Bonds. The provisions of this Section shall survive the termination of this Agreement.

Section 5.9. Compliance with Usury Laws. Notwithstanding any other provision of this Agreement, it is agreed and understood that in no event shall this Agreement, with respect to the Note or other instrument of indebtedness, be construed as requiring the Borrower or any other Person to pay interest and other costs or considerations that constitute interest under any

applicable law which are contracted for, charged or received pursuant to this Agreement in an amount in excess of the maximum amount of interest allowed under any applicable law.

In the event of any acceleration of the payment of the principal amount of the Note, that portion of any interest payment in excess of the maximum legal rate of interest, if any, provided for in this Agreement or related documents shall be canceled automatically as of the date of such acceleration, or if theretofore paid, shall be credited against the Borrower's obligations under the Note and the payments due on the Bonds shall be correspondingly reduced.

The provisions of this Section 5.9 shall prevail over any other provision of this Agreement.

Section 5.10. Compliance with Other Laws. To the best of the Borrower's knowledge, the design, construction, rehabilitation and operation of the Project as described herein do not and will not conflict in any material respect with any zoning, water or air pollution or other ordinance, order, law or regulation applicable thereto; the Borrower has caused the Project to be designed in accordance with all the applicable federal, state and local laws or ordinances (including rules and regulations) relating to zoning, building, safety and environmental quality, and the Borrower has not failed to obtain (or will obtain when required) and maintain in effect any licenses, permits, franchises or other governmental authorizations necessary for the operation and conduct of the Project.

The Borrower shall comply with federal housing policy governing nondiscrimination and accessibility, as determined under the Americans with Disabilities Act, the Fair Housing Amendments Act of 1988, the rules and regulations of HUD and any other applicable federal, state and local law.

Section 5.11. Maintenance and Repair. The Borrower agrees to maintain the Project or to cause the Project to be maintained during the term of this Agreement, (a) in a reasonably safe condition and (b) in good repair and in good operating condition, ordinary wear and tear excepted.

Section 5.12. Location of Project. The Borrower covenants to maintain any personal property constituting all or any portion of the Project in the State.

Section 5.13. Recordation of Documents. The Borrower hereby covenants to cause to have recorded in the records of the County Recorder of the County of Los Angeles, California, at such time as the recordation of any security documents associated with any construction loan with respect to the Project, the Regulatory Agreement, the Security and such other documents as may be determined to be required by the Issuer and/or Lender.

Section 5.14. Compliance with Loan Documents. The Borrower agrees to comply with all terms and conditions of the Loan Documents.

ARTICLE VI

EVENTS OF DEFAULT AND REMEDIES

Section 6.1. Defaults.

(a) A “Default” of the Borrower shall occur when:

(i) The Borrower has failed to pay when due any amount payable on the Note (after any applicable notice and cure period contained therein) or has failed to perform any material covenant under the Loan Agreement, the Security or any other instrument providing security for the Note, including a failure to repay any amounts which have been previously paid but are recovered, attached or enjoined pursuant to any insolvency, receivership, liquidation or similar proceedings, subject to any applicable notice and cure periods.

(ii) The Borrower and the Issuer shall receive written notice from Lender that a “Default” has occurred under the Loan Agreement or the Security (other than a failure to pay any amount due on the Note and after any applicable notice and cure period), and that Lender declares that such occurrence shall be treated as a Default hereunder.

(iii) The Borrower (A) shall receive written notice from Lender or the Issuer (with a copy to the other parties hereto) that the Borrower has failed to observe any of its obligations, covenants or agreements hereunder other than as specified in Section 6.1(a)(i) or (ii) hereof, under the Tax Certificate or Regulatory Agreement, if applicable, and such failure shall continue for sixty (60) days following such notice; provided, however, if such Default cannot reasonably be cured within said 60-day period, the Borrower shall have such additional time as may be reasonably necessary if the Borrower commences such cure within such 60-day period and diligently prosecutes such cure to completion, or (B) shall receive written notice from Lender or the Issuer (with a copy to the other parties hereto) that the Borrower has made any material representation or warranty hereunder or under the Tax Certificate or Regulatory Agreement, if applicable, that was false when made.

(iv) The Borrower shall fail to satisfy the conditions to Conversion set forth in the Tri-Party Agreement prior to the Mandatory Conversion Date (as defined in the Construction Loan Agreement and as such date may be extended in accordance with the terms and provisions of the Construction Loan Agreement).

(b) A “Default” of Lender shall occur when (i) Lender shall receive written notice from the Issuer that Lender has failed to observe any of its obligations, covenants or agreements hereunder, and such failure shall continue for thirty (30) days following receipt of such notice, unless such default cannot be cured within thirty (30) days and Lender shall have commenced such cure and shall diligently prosecute such cure to completion, or (ii) Lender shall receive written notice from the Issuer that Lender has

made any material representation or warranty hereunder or under the Tax Certificate or the Regulatory Agreement, if applicable, that was false when made.

(c) A “Default” shall occur when the Borrower and Lender receive written notice from the Issuer that a Determination of Taxability has occurred and the cure period, if any, provided for in such notice of a Determination of Taxability has expired without the cure, to the satisfaction of the Issuer, in reliance on the advice of Bond Counsel, of the problem identified in the Issuer’s notice, provided that in the event of a Determination of Taxability pursuant to clause (a) or (b) of the definition thereof, such notice shall provide for a cure period of at least thirty (30) days unless, in the judgment of the Issuer, in reliance on the advice of Bond Counsel, no cure is possible.

(d) If practicable, any party may, upon no less than 10 days’ notice, but is not obligated to, cure an action or inaction of another party that, if uncured within the applicable time period, would become a Default hereunder.

(e) This Section 6.1 shall not affect or limit in any way Lender’s right to accelerate pursuant to Section 6.2 below.

Section 6.2. Loan Acceleration Default. Upon any Default by the Borrower of any of the terms of this Financing Agreement, the Loan Agreement, the Note, any documents providing or evidencing the Security or any other documents required by Lender in connection with this Agreement or the Loan and upon any Default by the Issuer of any of the terms of the Bonds, Lender shall be entitled to declare the entire sum due under the Note, the Loan Agreement and the Security immediately due and payable and may, then, or at any time thereafter, commence and prosecute a judicial foreclosure and/or record a notice of default pursuant to Section 2924 of the California Civil Code and thereafter proceed with a nonjudicial foreclosure pursuant to Section 2924 and following of the California Civil Code subject to the rights of reinstatement contained therein, and exercise of all other rights and remedies available to Lender hereunder, under the Loan Documents, at law or in equity. Upon receipt of any such notice of default, the Borrower shall, within three (3) business days of receipt thereof, provide a copy of such notice to the Issuer. A Default as to which Lender has declared the entire sum due under the Note, the Loan Agreement and the Security immediately due and payable is referred to in this Agreement as a “Loan Acceleration Default”.

Section 6.3. Remedies.

(a) Whenever any Loan Acceleration Default under Section 6.2 hereof shall have occurred and be continuing:

(i) The Bonds shall be subject to mandatory redemption in whole pursuant to Section 3.5(a)(vi) thereof; and

(ii) Subject to the provisions of Section 4.5 hereof, the nondefaulting parties also may take whatever action at law or in equity appears necessary or desirable to enforce performance and observance of any obligation or agreement in respect of which the Loan Acceleration Default has occurred.

(b) Whenever any Default under Section 6.1 hereof shall have occurred and be continuing, the nondefaulting parties may, subject to the provisions of Section 4.5 hereof, take whatever action at law or in equity that appears necessary or desirable to enforce performance and observance of any obligation or agreement in respect of which the Default has occurred.

(c) In addition to any other remedies granted herein or under applicable law, the Borrower agrees that Lender shall have the right, at its option, to declare any indebtedness evidenced by the Loan Agreement, the Note or the Security, irrespective of the maturity date specified therein, immediately, without demand or notice, due and payable upon the occurrence of a Default or Event of Default as provided in the Loan Agreement, Note or Security and to exercise all remedies provided in the Loan Documents and/or under applicable law.

Failure to exercise such option on the occasion of the occurrence of any one or more of the events above specified shall not constitute waiver of the right to exercise the option in the event of a subsequent occurrence of any one or more of such events.

The Borrower agrees to inform Lender, in writing, at or prior to the time of the occurrence of the events described in this Section 6.3(c), and promptly furnish to Lender, any and all information concerning such events as Lender shall request.

(d) Any amounts collected as payments of principal of, premium, if any, or interest on the Note, or applicable to such payments, pursuant to action taken under this Section, shall be applied to payments of amounts due on the Bonds.

Section 6.4. Attorneys' Fees and Costs. If (a) a Default pursuant to Section 6.1 hereof occurs or (b) the Issuer or Lender should employ attorneys or incur expenses for the enforcement of any obligation or agreement of Lender or the Borrower contained herein, the Borrower, on demand, will pay to the Issuer and/or Lender the applicable party's reasonable fees of such attorneys and the reasonable costs so incurred, including, without limitation, reasonable fees and costs of court appeals.

Section 6.5. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Issuer or the Lender is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof but any such right and power may be exercised from time to time and as open as may be deemed expedient. In order to entitle the Issuer or the Lender to exercise any remedy reserved to it in this Article VI, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

Section 6.6. No Additional Waiver Implied by One Waiver. In the event any agreement or covenant contained in this Agreement should be breached by the Borrower or Lender and thereafter waived by the Issuer or Lender, such waiver shall be limited to the particular breach so

waived and shall not be deemed to waive any other breach hereunder. Issuer may not waive any breach by Borrower except if and to the extent Lender has concurrently waived the same breach.

FACE AMOUNT:

The THE HOUSING AUTHORITY OF THE COUNTY OF LOS ANGELES, , a public body corporate and politic of the State of California (the "Issuer"), for value received, hereby promises to pay (but only from Revenues, as that term is defined in the Financing Agreement (the "Financing Agreement"), dated as of December 1, 2004, among the Issuer, Bank of America, N.A. (together with its successors and assigns, the "Lender"), and San Fernando Senior Housing, L.P. (the "Borrower") to the order of the Registered Owner set forth above or registered assigns (the "Registered Owner"), at its office in Los Angeles, California, or such other place as the Registered Owner may designate in writing, from the source and in the manner hereinafter provided, the principal amount hereof, with interest on the unpaid balance of this Bond from the date hereof until this Bond is fully paid, at the rates determined, from time to time, in accordance with the Financing Agreement, the Note (as defined below) and the Loan Agreement, in any coin or currency which at the time or times of payment is legal tender for the payment of public or private debts in the United States of America. All capitalized terms used but not otherwise defined herein shall have the meanings ascribed thereto in the Financing Agreement.

This Bond constitutes one of a duly authorized issue of bonds of the Issuer designated "The Housing Authority of the County of Los Angeles Multifamily Housing Revenue Bonds (San Fernando Senior Housing Project), 2004 Series B," issued in the aggregate face amount (maximum principal amount) of \$6,400,000 to provide moneys to fund a loan (the "Loan") to be made by the Lender on behalf of the Issuer to the Borrower, to finance the development, construction and equipping of an 98-unit multifamily rental housing project located in County of

Los Angeles, California (the “Project”). This Bond is issued pursuant to and in accordance with the Act.

The Loan will be evidenced by that certain Promissory Note, dated as of December 1, 2004, in the original aggregate principal amount of \$6,400,000 (the “Note”) made by the Borrower to the order of the Issuer and assigned to the Lender. This Bond is issued under and secured by the Financing Agreement.

The principal amount of this Bond as of any given date shall be equal to (i) the total amount advanced by the Lender to purchase Bonds, less (ii) any payment of principal on all of the Bonds received by Registered Owners thereof.

This Bond shall mature on the Maturity Date set forth above, and the entire unpaid principal balance of and any accrued interest on this Bond shall be paid in full on or before such date.

Interest on this Bond shall be payable on each Interest Payment Date. Interest shall be payable at the rate specified in the Note.

All payments made by the Borrower to the Lender under the Note shall be deemed due and owing on this Bond to the same extent due and owing on the Note, and the payments or prepayments of principal, interest, premiums and other costs and expenses shall be identical under this Bond with and shall be made on the same terms and conditions as such payments made on the Note. Said payments by the Borrower under the Note shall be deemed to have been constructively received by the Registered Owner as payments on this Bond on the date of receipt by the Lender under the Note.

This Bond shall be subject to optional redemption and mandatory redemption on the dates, in the amounts, at the redemption prices and in the manner set forth in the Financing Agreement. Upon the occurrence of certain events of mandatory redemption described in the Financing Agreement, payment of the redemption price of the Bonds shall be deemed made by the Issuer’s absolute assignment to the Registered Owners of the Bonds of all right, title and interest of the Issuer in the Note and the Security.

The Bonds are issued as a single Bond and may not be transferred in part. This Bond may not be sold, assigned or transferred, except upon satisfaction of the requirements of the Financing Agreement, including, but not limited to, the requirement that this Bond be sold, assigned or transferred only to a Qualified Institutional Buyer and only upon receipt from the purchaser of an Investor Letter in the form attached to the Financing Agreement. The Lender shall serve as Bond registrar and shall, on behalf of the Issuer, maintain records of ownership of the Bonds.

Subject to the foregoing, this Bond is transferable upon the registration books maintained by the Lender, by the Registered Owner hereof in person or by its attorney duly authorized in writing, upon surrender of this Bond together with a written instrument of transfer satisfactory to the Lender, duly executed by the Registered Owner or its duly authorized attorney. The Issuer may deem and treat the person in whose name this Bond is last registered upon the books maintained by the Lender, with such registration noted on this Bond, as the absolute owner

hereof for the purpose of receiving payment of or on account of the principal or interest and for all other purposes; all such payments so made to the Registered Owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon this Bond to the extent of the sum or sums so paid, and the Issuer shall not be affected by any notice to the contrary.

Upon the occurrence of any Default by the Borrower, the Registered Owner may exercise any or all of the remedies described in the Financing Agreement in the manner provided therein.

This Bond and the interest hereon is a limited obligation of the Issuer, payable solely from Revenues. Neither the Issuer, the State of California (the "State") nor any political subdivision thereof (except the Issuer, to the limited extent set forth in the Financing Agreement) nor any public agency shall in any event be liable for the payment of the principal of, premium (if any) or interest on the Bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth herein or in the Financing Agreement, and none of the Bonds or any of the Issuer's agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever.

This Bond is only a limited obligation of the Issuer as provided by the Act, and the Issuer shall under no circumstances be obligated to pay the Bonds except from Revenues.

THE ISSUANCE OF THE BONDS SHALL NOT DIRECTLY OR INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT. THE ISSUER HAS NO TAXING POWER.

NO RECOURSE SHALL BE HAD FOR THE PAYMENT OF THE PRINCIPAL OF OR PREMIUM OR INTEREST ON THIS BOND AGAINST ANY PAST, PRESENT OR FUTURE OFFICER, DIRECTOR, MEMBER, EMPLOYEE OR AGENT OF THE ISSUER,

OR OF ANY SUCCESSOR TO THE ISSUER, AS SUCH, EITHER DIRECTLY OR THROUGH THE ISSUER OR ANY SUCCESSOR TO THE ISSUER, UNDER ANY RULE OF LAW OR EQUITY, STATUTE OR CONSTITUTION OR BY THE ENFORCEMENT OF ANY ASSESSMENT OR PENALTY OR OTHERWISE, AND ALL SUCH LIABILITY OF ANY SUCH OFFICERS, DIRECTORS, MEMBERS, EMPLOYEES OR AGENTS, AS SUCH, IS HEREBY EXPRESSLY WAIVED AND RELEASED AS A CONDITION OF, AND CONSIDERATION FOR, THE EXECUTION AND ISSUANCE OF THIS BOND.

Neither the Borrower nor any Registered Owner shall look to the Issuer or any of its elected officials, officers, attorneys, accountants, financial advisors, agents or staff or any successor or public entity for damages suffered by the Borrower or such Registered Owner as a result of the failure of the Issuer to perform any covenant, undertaking or obligation under the Financing Agreement, the Bond, the Regulatory Agreement or any of the other documents referred to in the Financing Agreement, or as a result of the incorrectness of any representation made by the Issuer in any of such documents, nor for any other reason.

It is intended that this Bond is made with reference to and shall be construed as a contract governed by the laws of the State of California.

The terms of this Bond are subject in all respects to the terms of the Financing Agreement. If there is a conflict between the provisions of this Bond and the Financing Agreement, the Financing Agreement shall control.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Financing Agreement unless the registration of this Bond in the name of the Registered Owner is confirmed by the signature of an authorized officer of the Lender on behalf of the Issuer on the Registration Schedule attached hereto.

FORM OF OPINION OF BORROWER'S COUNSEL

[Date]

The Housing Authority of the County of Los Angeles
Monterey Park, California

Bank of America, N.A.
Los Angeles, California

California Community Reinvestment Corporation
Glendale, California

We are counsel to San Fernando Senior Housing, L.P., a California limited partnership (the "Borrower"), in connection with the loan of \$6,400,000 made to the Borrower by Bank of America, N.A., as Construction Lender ("Lender") on behalf of The Housing Authority of the County of Los Angeles to finance a portion of the costs to acquire and construct a multifamily housing facility. Such loan, together with the Note and Security (as hereinafter defined), will be purchased by The Housing Authority of the County of Los Angeles (the "Issuer") with the proceeds of the sale of the Issuer's Multifamily Housing Revenue Bonds (San Fernando Senior Housing Project), 2004 Series B (the "Bonds").

In such capacity, we have reviewed (i) the organizational documents of the Borrower, (ii) a promissory note of the Borrower, made to Lender, dated as of December 1, 2004 (the "Note"), (iii) the Deed of Trust dated as of December 1, 2004 (the "Security"), (iv) the Tax Certificate and Agreement dated December __, 2004, collectively executed by the Issuer and/or the Borrower (the "Tax Certificate"), (v) the Financing Agreement among the Issuer, Lender and the Borrower dated as of December 1, 2004 (the "Financing Agreement"), (vi) the Regulatory Agreement and Declaration of Restrictive Covenants between the Issuer and the Borrower dated as of December 1, 2004 (the "Regulatory Agreement") and all other Loan Documents. Capitalized terms used herein shall have meanings ascribed thereto in the Financing Agreement.

Based upon our review of the foregoing and our examination of other records of the Borrower and other documents, information, statutes and regulations as we have considered relevant and necessary to enable us to render this opinion, and subject to other customary assumptions, limitations and qualifications, we are of the opinion that:

1. The Borrower is a California limited partnership validly existing under the laws of the State of California (the "State"), is in good standing under the laws governing its creation and existence and is duly authorized and qualified under the laws of the State to transact its business in the State.

2. The Note, Security, Tax Certificate, Regulatory Agreement and Financing Agreement and the other Loan Documents have been duly authorized, executed and delivered by the Borrower and the performance and compliance with the terms thereof will not violate the instruments creating the Borrower.

3. The Note, Security, Tax Certificate, Regulatory Agreement and Financing Agreement and the other Loan Documents each constitute a valid, legal and binding agreement enforceable in accordance with its terms against the Borrower and its successors, assigns and transferees, except as enforcement thereof may be limited by applicable debtor relief laws and other customary limitations and qualifications.

4. The execution and delivery of the Financing Agreement, Tax Certificate, Regulatory Agreement, Note and Security and the other Loan Documents and any other instruments contemplated by any of such documents to which the Borrower is a party, and compliance with the provisions of each thereof, will not conflict with or constitute a breach or default under any applicable law or administrative rule or regulation of the State of California, the United States, or any department, division, political subdivision or instrumentality of either thereof, or any applicable court or administrative decree or order.

5. The loan evidenced by the Note is not usurious under the laws of the State.

FORM OF OPINION OF LENDER'S COUNSEL

[Date]

The Housing Authority of the County of Los Angeles
Monterey Park, California

Re: The Housing Authority of the County of Los Angeles
Multifamily Housing Revenue Bond
(San Fernando Senior Housing Project), 2004 Series B

Ladies and Gentlemen:

Capitalized terms in this letter shall have the meanings assigned to them in the Financing Agreement dated as of December 1, 2004 (the "Agreement") entered into among The Housing Authority of the County of Los Angeles (the "Issuer"), Bank of America, N.A. (the "Lender") and San Fernando Senior Housing, L.P., a California limited partnership (the "Borrower"). We have acted as counsel to Lender in its capacities as originator and servicer of the Loan and purchaser of the above-mentioned Bonds. We have examined such agreements, records, documents and certificates as we have deemed necessary and we are of the opinion that:

1. Lender is a national banking association, validly existing and in good standing under the laws of the United States of America, and authorized to do business in the State of California, and is authorized by its articles of association and bylaws and by all applicable governmental regulations to perform all of its obligations in connection with the Agreement and the Loan Documents.

2. The execution, delivery and performance of the Agreement and the Loan Documents to which it is a party and the power to assign the Loan Documents to which it is a party as required by the Agreement have been duly authorized by Lender.

3. The Agreement and the Loan Documents to which the Lender is a party constitute the legal, valid and binding obligations of the Lender except as such enforceability may be affected by applicable bankruptcy and insolvency statutes and the application of general principals of equity.

4. To our knowledge, there is no litigation pending or to the undersigned's knowledge threatened, affecting the authority of Lender in respect to the Agreement, or the Loan Documents to which it is a party or in any way questioning the execution or validity of the Agreement and the Loan Documents to which it is a party.

This letter is delivered to the Issuer and the Borrower in connection with the issuance of the Bonds, and the law firm of Orrick, Herrington & Sutcliffe LLP as Bond Counsel is also authorized to rely on this opinion.

W I T N E S S E T H:

WHEREAS, pursuant to and in compliance with Chapter 1 of Part 2 of Division 24 of the Health and Safety Code of the State of California (the “Act”), the Issuer proposes to issue its Multifamily Housing Revenue Bonds (San Fernando Senior Housing Project), 2004 Series B (the “Bonds”) the proceeds of which will be utilized to fund a loan to the Borrower pursuant to the Financing Agreement of even date herewith (as supplemented and amended from time to time, the “Financing Agreement”), among the Issuer, the Borrower and Bank of America, N.A. as lender thereunder (the “Lender”), in order to enable the Borrower to finance the construction of a 21-unit multifamily rental housing project known as San Fernando Senior Housing (Las Palmas I Site), located on the real property site described in Exhibit A hereto (the “Project”);

Section 2. [Representations, Covenants and Warranties of the Borrower.](#)

(a) The Borrower hereby incorporates herein, as if set forth in full herein, each of the representations, covenants and warranties of the Borrower contained in the Tax Certificate and the Financing Agreement relating to the Project.

(b) The Borrower hereby represents and warrants that the Project is located entirely within the County of Los Angeles, California.

(c) The Borrower acknowledges, represents and warrants that it understands the nature and structure of the transactions contemplated by this Regulatory Agreement; that it is familiar with the provisions of all of the documents and instruments relating to the Bonds to which it is a party or of which it is a beneficiary; that it understands the financial and legal risks inherent in such transactions; and that it has not relied on the Issuer for any guidance or expertise in analyzing the financial or other consequences of such financing transactions or otherwise relied on the Issuer in any manner except to issue the Bonds in order to provide funds to assist the Borrower in acquiring and developing the Project.

Section 3. [Qualified Residential Rental Project.](#) The Borrower hereby acknowledges and agrees that the Project is to be owned, managed and operated in the same manner as a “residential rental project” (within the meaning of Section 142(d) of the Code) for a

term equal to the Qualified Project Period. To that end, and for the term of this Regulatory Agreement, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project will be operated for the purpose of providing multifamily residential rental property. The Borrower will own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with Section 142(d) of the Code, Section 1.103-8(b) of the Regulations and the provisions of the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the dwelling units in the Project will be similarly constructed units, and each dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or rented for a period of less than 30 consecutive days, or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park.

(d) No part of the Project will at any time during the Qualified Project Period be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or use, and the Borrower will not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period (except that the Borrower may obtain final map approval and the Final Subdivision Public Report from the California Department of Real Estate and may file a condominium plan with the County of Los Angeles).

(e) All of the dwelling units in the Project (except for not more than one unit set aside for resident manager or other administrative use) will be available for rental during the Qualified Project Period on a continuous basis to members of the general public, on a first-come, first-served basis, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent that dwelling units are required to be leased or rented to Very Low Income Tenants.

(f) The Project consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the facilities of the Project comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this provision shall not be construed to prohibit the occupancy of a dwelling unit by resident managers or maintenance personnel, any of whom may be the Borrower.

(h) The Borrower shall deliver to the Issuer, (i) within 30 days after the date on which 10% of the dwelling units in the Project are occupied, a written notice specifying such date, and (ii) within 30 days after the date on which 50% of the dwelling units in the Project are occupied, a written notice specifying such date. The Borrower shall cause a copy of such notice to be recorded in the Official Records of the County of Los Angeles, California.

Section 4. [Very Low Income Tenants; Reporting Requirements](#). Pursuant to the requirements of the Code, the Borrower hereby represents, warrants and covenants as follows:

(a) During the Qualified Project Period no less than 20% of the total number of completed units in the Project shall at all times be rented to and occupied by Very Low Income Tenants. For the purposes of this paragraph (a), a vacant unit which was most recently occupied by a Very Low Income Tenant is treated as rented and occupied by a Very Low Income Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined.

(b) No tenant qualifying as a Very Low Income Tenant upon initial occupancy shall be denied continued occupancy of a unit in the Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Very Low Income Tenants. However, should a Very Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed one hundred forty percent (140%) of the applicable income limit for a Very Low Income Tenant of the same family size, the next available unit of comparable size must be rented to (or held vacant and available for immediate occupancy by) a Very Low Income Tenant. Until such next available unit is rented, the former Very Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Very Low Income Tenant for purposes of the twenty percent (20%) requirement of Section 4(a) hereof.

(c) For the Qualified Project Period, the Borrower will obtain, complete and maintain on file Income Certifications for each Very Low Income Tenant, including (i) an Income Certification dated, with respect to existing Very Low Income Tenants, within 60 days after the date that the Borrower acquires the Project and, with respect to new Very Low Income Tenants, immediately prior to the initial occupancy of such Very Low Income Tenant in the Project, and (ii) thereafter, an annual Income Certification with respect to each Very Low Income Tenant; provided that such certification with respect to any tenant shall in no case cover a period greater than one year. The Borrower will provide such additional information as may be required in the future by the Code, the State or the Issuer, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to Tax-Exempt obligations. A copy of the most recent Income Certifications for Very Low Income Tenants commencing or continuing occupation of a Very Low Income Unit shall be attached to each report to be filed with the Issuer pursuant to paragraph (e) of this Section 4.

The Borrower shall make a good faith effort to verify that the income information provided by an applicant in a Verification of Income is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain a pay stub for the most recent pay period, (2) obtain an income tax return for the most recent tax year, (3) obtain a credit report or conduct a similar type credit search, (4) obtain an income verification from the applicant's

current employer, (5) obtain an income verification from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from either of such agencies, or (6) if the applicant is unemployed and does not have an income tax return, obtain another form of independent verification reasonably acceptable to the Issuer.

(d) The Borrower will maintain complete and accurate records pertaining to the Very Low Income Units, and will permit any duly authorized representative of the Issuer, the Lender, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Very Low Income Units.

(e) The Borrower will prepare and submit to the Issuer, the Program Monitor, if applicable, and the Lender, no later than the thirtieth day of each calendar quarter, until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance executed by the Borrower stating (i) the percentage of the dwelling units of the Project that were occupied or deemed occupied pursuant to subsection (a) hereof, by Very Low Income Tenants during the preceding calendar quarter; and (ii) that either (A) no unremedied default has occurred under this Regulatory Agreement, the Financing Agreement or the Deed of Trust, or (B) a default has occurred, in which event the certificate shall describe the nature of the default in detail and set forth the measures being taken by the Borrower to remedy such default.

(f) For the Qualified Project Period, all tenant leases or rental agreements shall be subordinate to this Regulatory Agreement and the Deed of Trust. All leases pertaining to Very Low Income Units shall contain clauses, among others, wherein each tenant who occupies a Very Low Income Unit: (i) certifies the accuracy of the statements made in the Verification of Income; (ii) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such tenant, that such tenant will comply promptly with all requests for information with respect thereto from the Borrower, the Lender, the Issuer or the Program Monitor on behalf of the Issuer, and that the failure to provide accurate information in the Verification of Income or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such tenant; (iii) acknowledges that the Borrower has relied on the Verification of Income and supporting information supplied by the Very Low Income Tenant in determining qualification for occupancy of the Very Low Income Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; and (iv) agrees that the tenant's income is subject to annual certification in accordance with Section 4(c) and that if upon any such certification such tenant's Adjusted Income exceeds the applicable income limit under Section 4(b), such tenant may cease to qualify as a Very Low Income Tenant and such tenant's rent may be subject to increase.

Section 5. [Tax-Exempt Status of Bonds](#). The Borrower and the Issuer, as applicable, each hereby represents, warrants and agrees as follows:

(a) The Borrower and the Issuer will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-Exempt nature of the interest on the Bonds and, if either of them should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.

(b) The Borrower and the Issuer will file of record such documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the Issuer and the Lender, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County of Los Angeles.

(c) The Borrower hereby covenants to include or reference the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project to another person to the end that such transferee has notice of, and is bound by, such restrictions, and, to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement.

Section 6. [Additional Requirements of the Act](#). In addition to the requirements set forth above, the Borrower hereby agrees that it shall comply with each of the requirements of the Act applicable to the project. Without limiting the foregoing, the Borrower agrees as follows:

(a) Not less than 20% of the total number of units in the Project shall be available for occupancy on a priority basis by “low income tenants” as required by Section 34312.3 of the Act, one-half of which units shall be made available to Very Low Income Tenants. [Note: Section 4(a) requires that 20% of the total number of units be rented to Very Low Income Tenants].

(b) The rental payments for the Very Low Income Units paid by the tenants thereof (excluding any supplemental rental assistance from the State, the federal government or any other public agency to those tenants or on behalf of those units) shall not exceed Affordable Rents.

(c) The Borrower shall accept as tenants, on the same basis as all other prospective tenants, very low-income persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act. The Borrower shall not permit any selection criteria to be applied to Section 8 certificate or voucher holders that is more burdensome than the criteria applied to all other prospective tenants.

(d) No tenant residing in a unit reserved as required by subsection (a) of this Section shall be denied continued occupancy of a unit in the Project because, after admission, such tenant’s Adjusted Income increases to exceed the qualifying limit for low income tenants or Very Low Income Tenants. However, should the Adjusted Income of a tenant residing in a reserved unit increase to exceed the qualifying limit, the next available unit must be rented to (or held vacant and available for immediate occupancy by) a tenant whose income satisfies the requirement of Section 4(a) hereof. Until such next available unit is rented to a qualified tenant, the former low income tenant or Very Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a low income tenant or Very Low Income Tenant for purposes of the requirement of Section 4(a) hereof.

(e) The units reserved for occupancy as required by subsection (a) of this Section shall remain available on a priority basis for occupancy until the Bonds are retired.

Section 7. [Additional Requirements of the Issuer](#). In addition to the requirements set forth above and to the extent not prohibited thereby, the Borrower hereby agrees to comply with each of the requirements of the Issuer set forth in this Section 7, as follows:

(a) Not less than 20% of the units in the Project shall be available on a priority basis for occupancy by Very Low Income Tenants paying rents not to exceed Affordable Rents. The requirements of this Section and Sections 4(a) and 6(a) are not cumulative, but each must be satisfied.

(b) The Borrower will indemnify the Issuer and the Lender as provided in Section 5.8 of the Financing Agreement and Section 9 hereof.

(c) All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business of the Borrower and shall be maintained as required by the Issuer, in a reasonable condition for proper audit and subject to examination during business hours by representatives of the Issuer.

(d) The Borrower shall submit to the Issuer, (i) not later than the thirtieth (30th) day after the close of each calendar year, a statistical report in the form set forth as [Exhibit D](#) hereto, or such other form as may be prescribed by the Issuer, setting forth the information called for therein, and (ii) within fifteen (15) days after receipt of a written request, any other information or completed forms requested by the Issuer in order to comply with reporting requirements of the Internal Revenue Service or the State of California.

(e) The covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Borrower.

(f) Each of the requirements of Sections 3, 4 and 6 hereof is hereby incorporated as a specific requirement of the Issuer, whether or not required by California or federal law, and shall be in force for the Qualified Project Period.

(g) The Borrower acknowledges that the Issuer may appoint a Program Monitor other than the Issuer (at no additional cost to the Borrower) to administer this Regulatory Agreement and to monitor performance by the Borrower of the terms, provisions and requirements hereof. In such event, the Borrower shall comply with any request by the Issuer to deliver to any such Program Monitor, in addition to or instead of the Issuer, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection by the Program Monitor as an agent of the Issuer.

(h) The Lender will collect the Annual Fee, in an amount equal to \$8,000, which fee shall be payable by the Borrower to the Lender, without demand, in advance on December 1 of each year (commencing on the Closing Date and continuing through the termination of this Regulatory Agreement) which the Lender shall collect pursuant to the Financing Agreement and remit to the Issuer as provided therein. The Borrower shall also pay to the Lender for the

account of the Issuer, on the Closing Date and within thirty (30) days after receipt of request for payment thereof from the Lender, all reasonable out-of-pocket expenses of the Issuer (not including salaries and wages of Issuer employees) related to the Project and the financing thereof that are not otherwise required to be paid by the Borrower under the terms of this Regulatory Agreement or the Financing Agreement, including, without limitation, reasonable legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project, the Loan or the Bonds. Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Bonds, the Borrower shall continue to pay (or, to the extent allowed under the Code, may prepay the present value at such time, computed based on the Bond yield) the Issuer's fees, unless such prepayment is made in connection with a refunding of the Bonds.

(i) The Borrower shall comply with the conditions set forth in Exhibit A of that certain CDLAC Resolution No. 04-088 relating to the Project and adopted on September 22, 2004 (the "CDLAC Conditions"), as they may be modified or amended from time to time, which conditions are incorporated herein by reference and made a part hereof. The Borrower will prepare and submit to CDLAC, not later than each anniversary of the Closing Date, until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance, in substantially the form attached hereto as Exhibit E, executed by an authorized representative of the Borrower.

Any of the foregoing requirements of the Issuer (except subsection (i) above which may be expressly waived by CDLAC) may be expressly waived by the Issuer in writing, but (i) no waiver by the Issuer of any requirement of this Section 7 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the Issuer has received an Opinion of Bond Counsel that any such provision is not required by the Act and may be waived without adversely affecting the exclusion from gross income of interest on the Bonds for federal income tax purposes; and (ii) any requirement of this Section 7 shall be void and of no force and effect if the Issuer and the Borrower receive an Opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Bonds to cease to be Tax-Exempt or to the effect that compliance with such requirement would be in conflict with the Act or any other state or federal law.

Section 8. [Modification of Covenants](#). The Borrower, the Lender and the Issuer hereby agree as follows:

(a) To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the Issuer, the Lender and the Borrower, retroactively impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement, and if such requirements are applicable to the Project, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements.

(b) To the extent that the Act, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Bond Counsel filed with the Issuer, the Lender and the Borrower, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the Issuer, at its sole discretion, the Lender and the Borrower, and only upon receipt by the

Issuer of the written opinion of Bond Counsel to the effect that such amendment will not affect the Tax-Exempt status of interest on the Bonds or violate the requirements of the Act, and otherwise in accordance with Section 22 hereof.

(c) The Borrower, the Issuer and, if applicable, the Lender, shall execute, deliver and, if applicable, file of record any and all documents and instruments necessary to effectuate the intent of this Section 8, and each of the Borrower and the Issuer hereby appoints the Lender as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Issuer, as is applicable, any such document or instrument (in such form as may be approved in writing by Bond Counsel) if either the Borrower or the Issuer defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the Issuer or the Borrower, the Lender shall take no action under this subsection (c) without first notifying the Borrower or the Issuer, or both of them, as is applicable, and without first providing the Borrower or the Issuer, or both, as is applicable, an opportunity to comply with the requirements of this Section 8. Nothing in this subsection (c) shall be construed to allow the Lender to execute an amendment to this Regulatory Agreement on behalf of the Issuer.

Section 9. Indemnification; Other Payments. To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Issuer, its officers, governing members, directors, officials, employees, attorneys and agents (collectively, the "Indemnified Parties"), against any and all losses, damages, claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under any statutory law (including federal or state securities laws) or at common law or otherwise, arising out of or based upon or in any way relating to:

- (i) this Regulatory Agreement, the Financing Agreement and any of the other Loan Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the issuance, sale, resale or transfer of the Bonds;
- (ii) any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or any part thereof;
- (iii) any lien or charge upon payments by the Borrower to the Issuer hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Issuer in respect of any portion of the Project;
- (iv) any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof;
- (v) the defeasance and/or redemption, in whole or in part, of the Bonds;

(vi) any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower contained in any documents relating to the Bonds to which the Borrower is a party, or any omission from any such document of any material fact necessary to be stated therein in order to make the statements made therein by the Borrower, in the light of the circumstances under which they were made, not misleading; or

(vii) any declaration of taxability of interest on the Bonds, or allegations (or regulatory inquiry that interest on the Bonds is taxable, for federal tax purposes.

The foregoing indemnification of the Issuer or any of its officers, members, directors, officials, employees, attorneys and agents does not apply only to the extent such damages are caused by the willful misconduct of such Indemnified Party. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if in the reasonable judgment of such Indemnified Party a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel.

Notwithstanding any transfer of the Project to another borrower in accordance with the provisions of this Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless such Indemnified Party has consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

Notwithstanding anything to the contrary contained elsewhere in this Regulatory Agreement, if the Lender, the Bondholders or any affiliate of any of them acquire title to the Project subject to the Regulatory Agreement, the party acquiring such title shall have no obligations or liabilities under this Section 9.

The provisions of this Section 9 shall survive the term of the Bonds and this Regulatory Agreement or the resignation of the Lender.

Section 10. [Consideration](#). The Issuer has agreed to issue the Bonds to provide funds to lend to the Borrower to finance the Project, all for the purpose, among others, of inducing the Borrower to acquire and operate the Project. In consideration of the issuance of the Bonds by the Issuer, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

Section 11. [Reliance](#). The Issuer and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Bonds, in the exemption from California personal income taxation of interest on the Bonds and in the Tax-Exempt status of the interest on the Bonds. In performing their duties and obligations hereunder, the Issuer, the Program Monitor and the Lender may rely upon statements and certificates of the Very Low Income Tenants, and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the Issuer and the Lender may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Issuer or the Lender hereunder in good faith and in conformity with such opinion.

Section 12. [Sale or Transfer of the Project](#). For the Qualified Project Period, the Borrower shall not sell, transfer or otherwise dispose of the Project, in whole or in part, without the prior written consent of the Issuer, which consent shall not be unreasonably withheld, conditioned or delayed if the following conditions are satisfied: (A) the receipt by the Issuer of evidence acceptable to the Issuer that (1) the Borrower shall not be in default hereunder or under the Financing Agreement (which may be evidenced by a Certificate of Continuing Program Compliance) or the purchaser or assignee undertakes to cure any defaults of the Borrower to the reasonable satisfaction of the Issuer; (2) the continued operation of the Project shall comply with the provisions of this Regulatory Agreement; (3) either (a) the purchaser or assignee or its property manager has at least three years' experience in the ownership, operation and management of similar size rental housing projects, and at least one year's experience in the ownership, operation and management of rental housing projects containing below-market-rate units, without any record of material violations of discrimination restrictions or other state or federal laws or regulations or local governmental requirements applicable to such projects, or (b) the purchaser or assignee agrees to retain a property management firm with the experience and record described in subclause (a) above, or (c) the transferring Borrower or its management company will continue to manage the Project for at least one year following such transfer and during such period will provide training to the transferee and its manager in the responsibilities relating to the Very Low Income Units; and (4) the person or entity which is to acquire the Project does not have pending against it, and does not have a history of significant and material building code violations or complaints concerning the maintenance, upkeep, operation, and regulatory agreement compliance of any of its projects as identified by any local, state or federal regulatory agencies; (B) the execution by the purchaser or assignee of any document reasonably requested by the Issuer or the Lender with respect to the assumption of the Borrower's obligations under this Regulatory Agreement and, if the Bonds are outstanding at the time of transfer, the Financing Agreement, including without limitation an instrument of assumption hereof and thereof, and delivery to the Issuer of an opinion of such purchaser or assignee's counsel to the effect that each such document and this Regulatory Agreement are valid, binding and enforceable obligations of such purchaser or assignee, subject to bankruptcy and other standard limitations affecting creditor's rights; (C) receipt by the Issuer of an opinion of Bond Counsel addressed to the Issuer to the effect that any such sale, transfer or other disposition will not adversely affect the Tax-Exempt status of interest on the Bonds; (D) receipt by the Issuer and Lender of all fees and/or expenses then currently due and payable to the Issuer and Lender; and (E) satisfaction of such other conditions as the Issuer may reasonably impose. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 12 shall be null, void and without effect, shall cause a reversion of title

to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Nothing in this Section shall affect any provision of any other document or instrument between the Borrower and any other party which requires the Borrower to obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the Project or any interest (direct or indirect) therein or in the Borrower, including, but not limited to, any consent of the Lender and/or the Holder required under the Financing Agreement, the Deed of Trust or any other Loan Document. Upon any sale or other transfer that complies with this Regulatory Agreement, the Borrower shall be fully released from its obligations hereunder to the extent such obligations have been fully assumed in writing by the transferee of the Project.

Any transfer of the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 12. The Section 12 shall not apply to, or limit, any transfer of the Project to the Lender, the Holder or any Affiliate of the Lender or the Holder by foreclosure under the Deed of Trust or by deed in lieu of such foreclosure.

For the Qualified Project Period, the Borrower shall not: (1) encumber any of the Project or grant commercial leases of any part thereof, or permit the conveyance, transfer or encumbrance of any part of the Project, except as otherwise permitted by the Financing Agreement, the Deed of Trust and this Regulatory Agreement (and upon receipt by the Borrower of an opinion of Bond Counsel that such action will not adversely affect the Tax-Exempt status of interest on the Bonds; provided that such opinion will not be required with respect to any lease permitted under this Regulatory Agreement and the Deed of Trust relating to a commercial operation or ancillary facility that will be available for tenant use and is customary to the operation of multifamily housing developments similar to the Project); (2) demolish any part of the Project or substantially subtract from any real or personal property of the Project, except in accordance with the Loan Documents and except to the extent that what is removed is replaced with comparable property; or (3) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

Section 13. Term. This Regulatory Agreement and all and several of the terms hereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the period provided herein and shall terminate as to any provision not otherwise provided with a specific termination date and shall terminate in its entirety at the end of the Qualified Project Period, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bonds and discharge of the Financing Agreement.

The terms of this Regulatory Agreement to the contrary notwithstanding, the requirements hereof shall terminate and be of no further force and effect in the event of involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date, which prevents the Issuer and the Lender from enforcing such provisions, or condemnation or foreclosure, transfer of title by deed in lieu of foreclosure, or a similar event, but only if, within a reasonable period, either the Bonds are retired or amounts received as a consequence of such event are used to provide a project that meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Regulations)

obtains an ownership interest in the Project for federal income tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. Notwithstanding any other provision of this Regulatory Agreement, this Regulatory Agreement may be terminated upon agreement by the Issuer, the Lender and the Borrower upon receipt by the Issuer and the Lender of an opinion of Bond Counsel to the effect that such termination will not adversely affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 14. [Covenants to Run With the Land](#). Notwithstanding Section 1461 of the California Civil Code, the Borrower hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The Issuer and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

Section 15. [Burden and Benefit](#). The Issuer and the Borrower hereby declare their understanding and intent that the burdens of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The Issuer and the Borrower hereby further declare their understanding and intent that the benefits of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Very Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Bonds were issued.

Section 16. [Uniformity; Common Plan](#). The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use of the site on which the Project is located.

Section 17. [Default; Enforcement](#). If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given by the Issuer to the Borrower, or for a period of 60 days from the date the Borrower should, with reasonable diligence, have discovered such default, then the Issuer shall declare an "Event of Default" to have occurred hereunder; provided, however, that if the default is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (ii) in the

opinion of Bond Counsel, the failure to cure said default within 60 days will not adversely affect the Tax-Exempt status of interest on the Bonds; and provided further, that notice shall be given to the Borrower's Investor Limited Partner (as designated in Section 23 of this Regulatory Agreement), who shall be entitled to cure any such default under the conditions set forth herein. The Issuer shall have the right to enforce the obligations of the Borrower under this Regulatory Agreement within shorter periods of time than are otherwise provided herein if necessary to insure compliance with the Act or the Code.

Following the declaration and during the continuance of an Event of Default hereunder, the Issuer, subject to the provisions of the Financing Agreement, may take any one or more of the following steps, in addition to all other remedies provided by law or equity:

- (i) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things that may be unlawful or in violation of the rights of the Issuer hereunder;
- (ii) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project;
- (iii) require the Borrower to pay to the Issuer an amount equal to the rent or other amounts received by the Borrower for any units in the Project which were in violation of this Regulatory Agreement during the period such violation continued (which payment shall not reduce the amount nor affect any payment due under the Loan);
- (iv) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder; and
- (v) subject to the provisions of the Financing Agreement, declare a default thereunder and proceed with any remedies provided therein.

The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only means by which the Issuer may fully obtain the benefits of such agreements made by the Borrower herein, and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Borrower hereunder.

In addition, during the Qualified Project Period, the Borrower hereby grants to the Issuer the option, upon the expiration of 60 days after the giving of the notice to the Borrower referred to in the first paragraph of this Section 17 of the Borrower's default under this Regulatory Agreement, to lease up to 20% of the units in the Project for the purpose of subleasing such units to Very Low Income Tenants, but only to the extent necessary to comply with the provisions of Sections 3, 4, 6 and 7. The option granted in the preceding sentence shall be effective only if the Borrower has not instituted corrective action within such 60-day period. Such option shall be exercisable first with respect to units which are vacant at the time of exercise of this option and shall be exercised with respect to occupied units only to the extent that subleasing of additional units is necessary in order to bring the Project into compliance with

the provisions of Sections 3, 4, 6 and 7, and any eviction carried out in connection with the exercise of such option shall be carried out in compliance with applicable laws. The option and any leases to the Issuer under this provision shall terminate with respect to each default upon the achievement, by the Borrower or the Issuer, of compliance with the requirements of Sections 3, 4, 6 and 7, and any subleases entered into pursuant to the Issuer's option shall be deemed to be leases from the Borrower. The Issuer shall make diligent efforts to rent Very Low Income Units to Very Low Income Tenants for monthly rental amounts equivalent to those collected from tenants of similar units in the Project, or such lesser maximum amounts as may be permitted by Section 6(b) hereof, but shall not be required to obtain such rental amounts. The Issuer shall seek to rent such units for the highest possible rents that may be charged, consistent with the rent and occupancy restrictions of this Regulatory Agreement. Tenant selection shall be performed utilizing the Borrower's reasonable management and selection policies. The Issuer subleases to Very Low Income Tenants pursuant to this paragraph shall not exceed six months in term and shall expressly permit the Borrower to increase the rents to the maximum amounts as may be permitted by Section 6(b) hereof for the respective households at the time the Borrower assumes the Issuer's position hereunder. Any rental paid under any such sublease shall be paid to the Borrower after the Issuer has been reimbursed for any expenses incurred in connection with such sublease. All rents received by the Issuer from such subleases, less the Issuer's expenses incurred in connection with such subleases, shall be placed into an escrow reasonably approved by the Borrower. All funds in such escrow shall be continuously pledged by the Issuer for the benefit of the Borrower. The Issuer agrees to allow the Borrower access to the Issuer's books and records relating to the collection and disbursement of rents received pursuant to such subleases.

All reasonable fees, costs and expenses of the Issuer incurred in taking any action pursuant to this Section shall be the sole responsibility of the Borrower.

No breach or default under this Regulatory Agreement shall defeat or render invalid any deed of trust, mortgage or like encumbrance upon the Project or any portion thereof given in good faith and for value.

Section 18. [Reserved.]

Section 19. [Recording and Filing](#). (a) The Borrower shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the Issuer may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

(a) The Borrower and the Issuer will file of record such other documents and take such other steps as are reasonably necessary, in the opinion of Bond Counsel, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project.

(b) The Borrower hereby covenants to include or reference the requirements and restrictions contained in this Regulatory Agreement in any documents, executed and delivered in connection with a voluntary transfer of any interest in the Project to another person to the end

that such transferee has notice of, and is bound by, such restrictions and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement.

Section 20. [Payment of Fees](#). Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Financing Agreement, the Borrower shall continue to pay to the Issuer and Lender all fees, losses and expenses required under the Financing Agreement as provided therein.

Section 21. [Governing Law](#). This Regulatory Agreement shall be governed by the laws of the State of California.

Section 22. [Amendments; Waivers](#). (a) Except as provided in Section 8(a) hereof, this Regulatory Agreement may be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California, and only upon receipt by the Issuer of an opinion from Bond Counsel that such amendment will not adversely affect the Tax-Exempt status of interest on the Bonds and is not contrary to the provisions of the Act.

(b) Anything to the contrary contained herein notwithstanding, the Issuer, the Lender and the Borrower hereby agree to amend this Regulatory Agreement to the extent required, in the opinion of Bond Counsel, in order that interest on the Bonds remains Tax-Exempt. The parties requesting such amendment shall notify the other parties to this Regulatory Agreement of the proposed amendment, with a copy of such requested amendment to Bond Counsel and a request that such Bond Counsel render to the Issuer and the Lender an opinion as to the effect of such proposed amendment upon the Tax-Exempt status of interest on the Bonds. This provision shall not be subject to any provision of any other agreement requiring any party hereto to obtain the consent of any other person in order to amend this Regulatory Agreement.

(c) Any waiver of, or consent to, any condition under this Regulatory Agreement must be expressly made in writing.

Section 23. [Notices](#). Any notice required to be given hereunder shall be made in writing and shall be given by personal delivery, overnight delivery, certified or registered mail, postage prepaid, return receipt requested, or by telecopy, in each case at the respective addresses specified in the Financing Agreement, or at such other addresses as may be specified in writing by the parties hereto.

Notwithstanding the foregoing or any other provision or obligation to the contrary contained in this Regulatory Agreement, (i) the liability of the Borrower under this Regulatory Agreement to any person or entity, including, but not limited to, the Lender or the Issuer and their successors and assigns, is limited to the Borrower's interest in the Project, the Revenues, including the amounts held in the funds and

accounts created under the Financing Agreement, or any rights of the Borrower under any guarantees relating to the Project, and such persons and entities shall look exclusively thereto, or to such other security as may from time to time be given for the payment of obligations arising out of this Regulatory Agreement or any other agreement securing the obligations of the Borrower under this Regulatory Agreement; and (ii) from and after the date of this Regulatory Agreement, no deficiency or other personal judgment, nor any order or decree of specific performance (other than pertaining to this Regulatory Agreement, any agreement pertaining to any Project or any other agreement securing the Borrower's obligations under this Regulatory Agreement), shall be rendered against the Borrower, the assets of the Borrower (other than the Borrower's interest in the Project, this Regulatory Agreement, amounts held in the funds and accounts created under the Financing Agreement, any rights of the Borrower under the Financing Agreement or any other documents relating to the Bonds or any rights of the Borrower under any guarantees relating to the Project), its partners, members, successors, transferees or assigns and each their respective officers, directors, employees, partners, agents, heirs and personal representatives, as the case may be, in any action or proceeding arising out of this Regulatory Agreement and the Financing Agreement or any agreement securing the obligations of the Borrower under this Regulatory Agreement, or any judgment, order or decree rendered pursuant to any such action or proceeding.

Section 27. [Third-Party Beneficiary](#). CDLAC is intended to be and shall be a third-party beneficiary of this Regulatory Agreement. CDLAC shall have the right (but not the obligation) to enforce the CDLAC Conditions and to pursue an action for specific performance or other available remedy at law or in equity in accordance with Section 17 hereof, provided that any such action or remedy shall not materially adversely affect the interests and rights of the Bondholders.

Section 3. [Qualified Residential Rental Project.](#) The Borrower hereby acknowledges and agrees that the Project is to be owned, managed and operated in the same manner as a “residential rental project” (within the meaning of Section 142(d) of the Code) for a

term equal to the Qualified Project Period. To that end, and for the term of this Regulatory Agreement, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project will be operated for the purpose of providing multifamily residential rental property. The Borrower will own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with Section 142(d) of the Code, Section 1.103-8(b) of the Regulations and the provisions of the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the dwelling units in the Project will be similarly constructed units, and each dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or rented for a period of less than 30 consecutive days, or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park.

(d) No part of the Project will at any time during the Qualified Project Period be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or use, and the Borrower will not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period (except that the Borrower may obtain final map approval and the Final Subdivision Public Report from the California Department of Real Estate and may file a condominium plan with the County of Los Angeles).

(e) All of the dwelling units in the Project (except for not more than one unit set aside for resident manager or other administrative use) will be available for rental during the Qualified Project Period on a continuous basis to members of the general public, on a first-come, first-served basis, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent that dwelling units are required to be leased or rented to Very Low Income Tenants.

(f) The Project consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the facilities of the Project comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this provision shall not be construed to prohibit the occupancy of a dwelling unit by resident managers or maintenance personnel, any of whom may be the Borrower.

(h) The Borrower shall deliver to the Issuer, (i) within 30 days after the date on which 10% of the dwelling units in the Project are occupied, a written notice specifying such date, and (ii) within 30 days after the date on which 50% of the dwelling units in the Project are occupied, a written notice specifying such date. The Borrower shall cause a copy of such notice to be recorded in the Official Records of the County of Los Angeles, California.

Section 4. [Very Low Income Tenants; Reporting Requirements](#). Pursuant to the requirements of the Code, the Borrower hereby represents, warrants and covenants as follows:

(a) During the Qualified Project Period no less than 20% of the total number of completed units in the Project shall at all times be rented to and occupied by Very Low Income Tenants. For the purposes of this paragraph (a), a vacant unit which was most recently occupied by a Very Low Income Tenant is treated as rented and occupied by a Very Low Income Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined.

(b) No tenant qualifying as a Very Low Income Tenant upon initial occupancy shall be denied continued occupancy of a unit in the Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Very Low Income Tenants. However, should a Very Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed one hundred forty percent (140%) of the applicable income limit for a Very Low Income Tenant of the same family size, the next available unit of comparable size must be rented to (or held vacant and available for immediate occupancy by) a Very Low Income Tenant. Until such next available unit is rented, the former Very Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Very Low Income Tenant for purposes of the twenty percent (20%) requirement of Section 4(a) hereof.

(c) For the Qualified Project Period, the Borrower will obtain, complete and maintain on file Income Certifications for each Very Low Income Tenant, including (i) an Income Certification dated, with respect to existing Very Low Income Tenants, within 60 days after the date that the Borrower acquires the Project and, with respect to new Very Low Income Tenants, immediately prior to the initial occupancy of such Very Low Income Tenant in the Project, and (ii) thereafter, an annual Income Certification with respect to each Very Low Income Tenant; provided that such certification with respect to any tenant shall in no case cover a period greater than one year. The Borrower will provide such additional information as may be required in the future by the Code, the State or the Issuer, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to Tax-Exempt obligations. A copy of the most recent Income Certifications for Very Low Income Tenants commencing or continuing occupation of a Very Low Income Unit shall be attached to each report to be filed with the Issuer pursuant to paragraph (e) of this Section 4.

The Borrower shall make a good faith effort to verify that the income information provided by an applicant in a Verification of Income is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain a pay stub for the most recent pay period, (2) obtain an income tax return for the most recent tax year, (3) obtain a credit report or conduct a similar type credit search, (4) obtain an income verification from the applicant's

current employer, (5) obtain an income verification from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from either of such agencies, or (6) if the applicant is unemployed and does not have an income tax return, obtain another form of independent verification reasonably acceptable to the Issuer.

(d) The Borrower will maintain complete and accurate records pertaining to the Very Low Income Units, and will permit any duly authorized representative of the Issuer, the Lender, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Very Low Income Units.

(e) The Borrower will prepare and submit to the Issuer, the Program Monitor, if applicable, and the Lender, no later than the thirtieth day of each calendar quarter, until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance executed by the Borrower stating (i) the percentage of the dwelling units of the Project that were occupied or deemed occupied pursuant to subsection (a) hereof, by Very Low Income Tenants during the preceding calendar quarter; and (ii) that either (A) no unremedied default has occurred under this Regulatory Agreement, the Financing Agreement or the Deed of Trust, or (B) a default has occurred, in which event the certificate shall describe the nature of the default in detail and set forth the measures being taken by the Borrower to remedy such default.

(f) For the Qualified Project Period, all tenant leases or rental agreements shall be subordinate to this Regulatory Agreement and the Deed of Trust. All leases pertaining to Very Low Income Units shall contain clauses, among others, wherein each tenant who occupies a Very Low Income Unit: (i) certifies the accuracy of the statements made in the Verification of Income; (ii) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such tenant, that such tenant will comply promptly with all requests for information with respect thereto from the Borrower, the Lender, the Issuer or the Program Monitor on behalf of the Issuer, and that the failure to provide accurate information in the Verification of Income or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such tenant; (iii) acknowledges that the Borrower has relied on the Verification of Income and supporting information supplied by the Very Low Income Tenant in determining qualification for occupancy of the Very Low Income Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; and (iv) agrees that the tenant's income is subject to annual certification in accordance with Section 4(c) and that if upon any such certification such tenant's Adjusted Income exceeds the applicable income limit under Section 4(b), such tenant may cease to qualify as a Very Low Income Tenant and such tenant's rent may be subject to increase.

Section 5. [Tax-Exempt Status of Bonds](#). The Borrower and the Issuer, as applicable, each hereby represents, warrants and agrees as follows:

(a) The Borrower and the Issuer will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-Exempt nature of the interest on the Bonds and, if either of them should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.

(b) The Borrower and the Issuer will file of record such documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the Issuer and the Lender, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County of Los Angeles.

(c) The Borrower hereby covenants to include or reference the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project to another person to the end that such transferee has notice of, and is bound by, such restrictions, and, to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement.

Section 6. [Additional Requirements of the Act](#). In addition to the requirements set forth above, the Borrower hereby agrees that it shall comply with each of the requirements of the Act applicable to the project. Without limiting the foregoing, the Borrower agrees as follows:

(a) Not less than 20% of the total number of units in the Project shall be available for occupancy on a priority basis by “low income tenants” as required by Section 34312.3 of the Act, one-half of which units shall be made available to Very Low Income Tenants. [Note: Section 4(a) requires that 20% of the total number of units be rented to Very Low Income Tenants].

(b) The rental payments for the Very Low Income Units paid by the tenants thereof (excluding any supplemental rental assistance from the State, the federal government or any other public agency to those tenants or on behalf of those units) shall not exceed Affordable Rents.

(c) The Borrower shall accept as tenants, on the same basis as all other prospective tenants, very low-income persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act. The Borrower shall not permit any selection criteria to be applied to Section 8 certificate or voucher holders that is more burdensome than the criteria applied to all other prospective tenants.

(d) No tenant residing in a unit reserved as required by subsection (a) of this Section shall be denied continued occupancy of a unit in the Project because, after admission, such tenant’s Adjusted Income increases to exceed the qualifying limit for low income tenants or Very Low Income Tenants. However, should the Adjusted Income of a tenant residing in a reserved unit increase to exceed the qualifying limit, the next available unit must be rented to (or held vacant and available for immediate occupancy by) a tenant whose income satisfies the requirement of Section 4(a) hereof. Until such next available unit is rented to a qualified tenant, the former low income tenant or Very Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a low income tenant or Very Low Income Tenant for purposes of the requirement of Section 4(a) hereof.

(e) The units reserved for occupancy as required by subsection (a) of this Section shall remain available on a priority basis for occupancy until the Bonds are retired.

Section 7. [Additional Requirements of the Issuer](#). In addition to the requirements set forth above and to the extent not prohibited thereby, the Borrower hereby agrees to comply with each of the requirements of the Issuer set forth in this Section 7, as follows:

(a) Not less than 20% of the units in the Project shall be available on a priority basis for occupancy by Very Low Income Tenants paying rents not to exceed Affordable Rents. The requirements of this Section and Sections 4(a) and 6(a) are not cumulative, but each must be satisfied.

(b) The Borrower will indemnify the Issuer and the Lender as provided in Section 5.8 of the Financing Agreement and Section 9 hereof.

(c) All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business of the Borrower and shall be maintained as required by the Issuer, in a reasonable condition for proper audit and subject to examination during business hours by representatives of the Issuer.

(d) The Borrower shall submit to the Issuer, (i) not later than the thirtieth (30th) day after the close of each calendar year, a statistical report in the form set forth as [Exhibit D](#) hereto, or such other form as may be prescribed by the Issuer, setting forth the information called for therein, and (ii) within fifteen (15) days after receipt of a written request, any other information or completed forms requested by the Issuer in order to comply with reporting requirements of the Internal Revenue Service or the State of California.

(e) The covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Borrower.

(f) Each of the requirements of Sections 3, 4 and 6 hereof is hereby incorporated as a specific requirement of the Issuer, whether or not required by California or federal law, and shall be in force for the Qualified Project Period.

(g) The Borrower acknowledges that the Issuer may appoint a Program Monitor other than the Issuer (at no additional cost to the Borrower) to administer this Regulatory Agreement and to monitor performance by the Borrower of the terms, provisions and requirements hereof. In such event, the Borrower shall comply with any request by the Issuer to deliver to any such Program Monitor, in addition to or instead of the Issuer, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection by the Program Monitor as an agent of the Issuer.

(h) The Lender will collect the Annual Fee, in an amount equal to \$8,000, which fee shall be payable by the Borrower to the Lender, without demand, in advance on December 1 of each year (commencing on the Closing Date and continuing through the termination of this Regulatory Agreement) which the Lender shall collect pursuant to the Financing Agreement and remit to the Issuer as provided therein. The Borrower shall also pay to the Lender for the

account of the Issuer, on the Closing Date and within thirty (30) days after receipt of request for payment thereof from the Lender, all reasonable out-of-pocket expenses of the Issuer (not including salaries and wages of Issuer employees) related to the Project and the financing thereof that are not otherwise required to be paid by the Borrower under the terms of this Regulatory Agreement or the Financing Agreement, including, without limitation, reasonable legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project, the Loan or the Bonds. Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Bonds, the Borrower shall continue to pay (or, to the extent allowed under the Code, may prepay the present value at such time, computed based on the Bond yield) the Issuer's fees, unless such prepayment is made in connection with a refunding of the Bonds.

(i) The Borrower shall comply with the conditions set forth in Exhibit A of that certain CDLAC Resolution No. 04-088 relating to the Project and adopted on September 22, 2004 (the "CDLAC Conditions"), as they may be modified or amended from time to time, which conditions are incorporated herein by reference and made a part hereof. The Borrower will prepare and submit to CDLAC, not later than each anniversary of the Closing Date, until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance, in substantially the form attached hereto as Exhibit E, executed by an authorized representative of the Borrower.

Any of the foregoing requirements of the Issuer (except subsection (i) above which may be expressly waived by CDLAC) may be expressly waived by the Issuer in writing, but (i) no waiver by the Issuer of any requirement of this Section 7 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the Issuer has received an Opinion of Bond Counsel that any such provision is not required by the Act and may be waived without adversely affecting the exclusion from gross income of interest on the Bonds for federal income tax purposes; and (ii) any requirement of this Section 7 shall be void and of no force and effect if the Issuer and the Borrower receive an Opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Bonds to cease to be Tax-Exempt or to the effect that compliance with such requirement would be in conflict with the Act or any other state or federal law.

Section 8. [Modification of Covenants](#). The Borrower, the Lender and the Issuer hereby agree as follows:

(a) To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the Issuer, the Lender and the Borrower, retroactively impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement, and if such requirements are applicable to the Project, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements.

(b) To the extent that the Act, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Bond Counsel filed with the Issuer, the Lender and the Borrower, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the Issuer, at its sole discretion, the Lender and the Borrower, and only upon receipt by the

Issuer of the written opinion of Bond Counsel to the effect that such amendment will not affect the Tax-Exempt status of interest on the Bonds or violate the requirements of the Act, and otherwise in accordance with Section 22 hereof.

(c) The Borrower, the Issuer and, if applicable, the Lender, shall execute, deliver and, if applicable, file of record any and all documents and instruments necessary to effectuate the intent of this Section 8, and each of the Borrower and the Issuer hereby appoints the Lender as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Issuer, as is applicable, any such document or instrument (in such form as may be approved in writing by Bond Counsel) if either the Borrower or the Issuer defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the Issuer or the Borrower, the Lender shall take no action under this subsection (c) without first notifying the Borrower or the Issuer, or both of them, as is applicable, and without first providing the Borrower or the Issuer, or both, as is applicable, an opportunity to comply with the requirements of this Section 8. Nothing in this subsection (c) shall be construed to allow the Lender to execute an amendment to this Regulatory Agreement on behalf of the Issuer.

Section 9. Indemnification; Other Payments. To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Issuer, its officers, governing members, directors, officials, employees, attorneys and agents (collectively, the "Indemnified Parties"), against any and all losses, damages, claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under any statutory law (including federal or state securities laws) or at common law or otherwise, arising out of or based upon or in any way relating to:

- (i) this Regulatory Agreement, the Financing Agreement and any of the other Loan Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the issuance, sale, resale or transfer of the Bonds;
- (ii) any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or any part thereof;
- (iii) any lien or charge upon payments by the Borrower to the Issuer hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Issuer in respect of any portion of the Project;
- (iv) any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof;
- (v) the defeasance and/or redemption, in whole or in part, of the Bonds;

(vi) any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower contained in any documents relating to the Bonds to which the Borrower is a party, or any omission from any such document of any material fact necessary to be stated therein in order to make the statements made therein by the Borrower, in the light of the circumstances under which they were made, not misleading; or

(vii) any declaration of taxability of interest on the Bonds, or allegations (or regulatory inquiry that interest on the Bonds is taxable, for federal tax purposes.

The foregoing indemnification of the Issuer or any of its officers, members, directors, officials, employees, attorneys and agents does not apply only to the extent such damages are caused by the willful misconduct of such Indemnified Party. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if in the reasonable judgment of such Indemnified Party a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel.

Notwithstanding any transfer of the Project to another borrower in accordance with the provisions of this Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless such Indemnified Party has consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

Notwithstanding anything to the contrary contained elsewhere in this Regulatory Agreement, if the Lender, the Bondholders or any affiliate of any of them acquire title to the Project subject to the Regulatory Agreement, the party acquiring such title shall have no obligations or liabilities under this Section 9.

The provisions of this Section 9 shall survive the term of the Bonds and this Regulatory Agreement or the resignation of the Lender.

Section 10. [Consideration](#). The Issuer has agreed to issue the Bonds to provide funds to lend to the Borrower to finance the Project, all for the purpose, among others, of inducing the Borrower to acquire and operate the Project. In consideration of the issuance of the Bonds by the Issuer, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

Section 11. [Reliance](#). The Issuer and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Bonds, in the exemption from California personal income taxation of interest on the Bonds and in the Tax-Exempt status of the interest on the Bonds. In performing their duties and obligations hereunder, the Issuer, the Program Monitor and the Lender may rely upon statements and certificates of the Very Low Income Tenants, and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the Issuer and the Lender may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Issuer or the Lender hereunder in good faith and in conformity with such opinion.

Section 12. [Sale or Transfer of the Project](#). For the Qualified Project Period, the Borrower shall not sell, transfer or otherwise dispose of the Project, in whole or in part, without the prior written consent of the Issuer, which consent shall not be unreasonably withheld, conditioned or delayed if the following conditions are satisfied: (A) the receipt by the Issuer of evidence acceptable to the Issuer that (1) the Borrower shall not be in default hereunder or under the Financing Agreement (which may be evidenced by a Certificate of Continuing Program Compliance) or the purchaser or assignee undertakes to cure any defaults of the Borrower to the reasonable satisfaction of the Issuer; (2) the continued operation of the Project shall comply with the provisions of this Regulatory Agreement; (3) either (a) the purchaser or assignee or its property manager has at least three years' experience in the ownership, operation and management of similar size rental housing projects, and at least one year's experience in the ownership, operation and management of rental housing projects containing below-market-rate units, without any record of material violations of discrimination restrictions or other state or federal laws or regulations or local governmental requirements applicable to such projects, or (b) the purchaser or assignee agrees to retain a property management firm with the experience and record described in subclause (a) above, or (c) the transferring Borrower or its management company will continue to manage the Project for at least one year following such transfer and during such period will provide training to the transferee and its manager in the responsibilities relating to the Very Low Income Units; and (4) the person or entity which is to acquire the Project does not have pending against it, and does not have a history of significant and material building code violations or complaints concerning the maintenance, upkeep, operation, and regulatory agreement compliance of any of its projects as identified by any local, state or federal regulatory agencies; (B) the execution by the purchaser or assignee of any document reasonably requested by the Issuer or the Lender with respect to the assumption of the Borrower's obligations under this Regulatory Agreement and, if the Bonds are outstanding at the time of transfer, the Financing Agreement, including without limitation an instrument of assumption hereof and thereof, and delivery to the Issuer of an opinion of such purchaser or assignee's counsel to the effect that each such document and this Regulatory Agreement are valid, binding and enforceable obligations of such purchaser or assignee, subject to bankruptcy and other standard limitations affecting creditor's rights; (C) receipt by the Issuer of an opinion of Bond Counsel addressed to the Issuer to the effect that any such sale, transfer or other disposition will not adversely affect the Tax-Exempt status of interest on the Bonds; (D) receipt by the Issuer and Lender of all fees and/or expenses then currently due and payable to the Issuer and Lender; and (E) satisfaction of such other conditions as the Issuer may reasonably impose. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 12 shall be null, void and without effect, shall cause a reversion of title

to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Nothing in this Section shall affect any provision of any other document or instrument between the Borrower and any other party which requires the Borrower to obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the Project or any interest (direct or indirect) therein or in the Borrower, including, but not limited to, any consent of the Lender and/or the Holder required under the Financing Agreement, the Deed of Trust or any other Loan Document. Upon any sale or other transfer that complies with this Regulatory Agreement, the Borrower shall be fully released from its obligations hereunder to the extent such obligations have been fully assumed in writing by the transferee of the Project.

Any transfer of the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 12. The Section 12 shall not apply to, or limit, any transfer of the Project to the Lender, the Holder or any Affiliate of the Lender or the Holder by foreclosure under the Deed of Trust or by deed in lieu of such foreclosure.

For the Qualified Project Period, the Borrower shall not: (1) encumber any of the Project or grant commercial leases of any part thereof, or permit the conveyance, transfer or encumbrance of any part of the Project, except as otherwise permitted by the Financing Agreement, the Deed of Trust and this Regulatory Agreement (and upon receipt by the Borrower of an opinion of Bond Counsel that such action will not adversely affect the Tax-Exempt status of interest on the Bonds; provided that such opinion will not be required with respect to any lease permitted under this Regulatory Agreement and the Deed of Trust relating to a commercial operation or ancillary facility that will be available for tenant use and is customary to the operation of multifamily housing developments similar to the Project); (2) demolish any part of the Project or substantially subtract from any real or personal property of the Project, except in accordance with the Loan Documents and except to the extent that what is removed is replaced with comparable property; or (3) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

Section 13. Term. This Regulatory Agreement and all and several of the terms hereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the period provided herein and shall terminate as to any provision not otherwise provided with a specific termination date and shall terminate in its entirety at the end of the Qualified Project Period, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bonds and discharge of the Financing Agreement.

The terms of this Regulatory Agreement to the contrary notwithstanding, the requirements hereof shall terminate and be of no further force and effect in the event of involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date, which prevents the Issuer and the Lender from enforcing such provisions, or condemnation or foreclosure, transfer of title by deed in lieu of foreclosure, or a similar event, but only if, within a reasonable period, either the Bonds are retired or amounts received as a consequence of such event are used to provide a project that meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Regulations)

obtains an ownership interest in the Project for federal income tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. Notwithstanding any other provision of this Regulatory Agreement, this Regulatory Agreement may be terminated upon agreement by the Issuer, the Lender and the Borrower upon receipt by the Issuer and the Lender of an opinion of Bond Counsel to the effect that such termination will not adversely affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 14. [Covenants to Run With the Land](#). Notwithstanding Section 1461 of the California Civil Code, the Borrower hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The Issuer and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

Section 15. [Burden and Benefit](#). The Issuer and the Borrower hereby declare their understanding and intent that the burdens of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The Issuer and the Borrower hereby further declare their understanding and intent that the benefits of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Very Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Bonds were issued.

Section 16. [Uniformity; Common Plan](#). The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use of the site on which the Project is located.

Section 17. [Default; Enforcement](#). If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given by the Issuer to the Borrower, or for a period of 60 days from the date the Borrower should, with reasonable diligence, have discovered such default, then the Issuer shall declare an "Event of Default" to have occurred hereunder; provided, however, that if the default is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (ii) in the

opinion of Bond Counsel, the failure to cure said default within 60 days will not adversely affect the Tax-Exempt status of interest on the Bonds; and provided further, that notice shall be given to the Borrower's Investor Limited Partner (as designated in Section 23 of this Regulatory Agreement), who shall be entitled to cure any such default under the conditions set forth herein. The Issuer shall have the right to enforce the obligations of the Borrower under this Regulatory Agreement within shorter periods of time than are otherwise provided herein if necessary to insure compliance with the Act or the Code.

Following the declaration and during the continuance of an Event of Default hereunder, the Issuer, subject to the provisions of the Financing Agreement, may take any one or more of the following steps, in addition to all other remedies provided by law or equity:

- (i) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things that may be unlawful or in violation of the rights of the Issuer hereunder;
- (ii) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project;
- (iii) require the Borrower to pay to the Issuer an amount equal to the rent or other amounts received by the Borrower for any units in the Project which were in violation of this Regulatory Agreement during the period such violation continued (which payment shall not reduce the amount nor affect any payment due under the Loan);
- (iv) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder; and
- (v) subject to the provisions of the Financing Agreement, declare a default thereunder and proceed with any remedies provided therein.

The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only means by which the Issuer may fully obtain the benefits of such agreements made by the Borrower herein, and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Borrower hereunder.

In addition, during the Qualified Project Period, the Borrower hereby grants to the Issuer the option, upon the expiration of 60 days after the giving of the notice to the Borrower referred to in the first paragraph of this Section 17 of the Borrower's default under this Regulatory Agreement, to lease up to 20% of the units in the Project for the purpose of subleasing such units to Very Low Income Tenants, but only to the extent necessary to comply with the provisions of Sections 3, 4, 6 and 7. The option granted in the preceding sentence shall be effective only if the Borrower has not instituted corrective action within such 60-day period. Such option shall be exercisable first with respect to units which are vacant at the time of exercise of this option and shall be exercised with respect to occupied units only to the extent that subleasing of additional units is necessary in order to bring the Project into compliance with

the provisions of Sections 3, 4, 6 and 7, and any eviction carried out in connection with the exercise of such option shall be carried out in compliance with applicable laws. The option and any leases to the Issuer under this provision shall terminate with respect to each default upon the achievement, by the Borrower or the Issuer, of compliance with the requirements of Sections 3, 4, 6 and 7, and any subleases entered into pursuant to the Issuer's option shall be deemed to be leases from the Borrower. The Issuer shall make diligent efforts to rent Very Low Income Units to Very Low Income Tenants for monthly rental amounts equivalent to those collected from tenants of similar units in the Project, or such lesser maximum amounts as may be permitted by Section 6(b) hereof, but shall not be required to obtain such rental amounts. The Issuer shall seek to rent such units for the highest possible rents that may be charged, consistent with the rent and occupancy restrictions of this Regulatory Agreement. Tenant selection shall be performed utilizing the Borrower's reasonable management and selection policies. The Issuer subleases to Very Low Income Tenants pursuant to this paragraph shall not exceed six months in term and shall expressly permit the Borrower to increase the rents to the maximum amounts as may be permitted by Section 6(b) hereof for the respective households at the time the Borrower assumes the Issuer's position hereunder. Any rental paid under any such sublease shall be paid to the Borrower after the Issuer has been reimbursed for any expenses incurred in connection with such sublease. All rents received by the Issuer from such subleases, less the Issuer's expenses incurred in connection with such subleases, shall be placed into an escrow reasonably approved by the Borrower. All funds in such escrow shall be continuously pledged by the Issuer for the benefit of the Borrower. The Issuer agrees to allow the Borrower access to the Issuer's books and records relating to the collection and disbursement of rents received pursuant to such subleases.

All reasonable fees, costs and expenses of the Issuer incurred in taking any action pursuant to this Section shall be the sole responsibility of the Borrower.

No breach or default under this Regulatory Agreement shall defeat or render invalid any deed of trust, mortgage or like encumbrance upon the Project or any portion thereof given in good faith and for value.

Section 18. [Reserved.]

Section 19. [Recording and Filing](#). (a) The Borrower shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the Issuer may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

(a) The Borrower and the Issuer will file of record such other documents and take such other steps as are reasonably necessary, in the opinion of Bond Counsel, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project.

(b) The Borrower hereby covenants to include or reference the requirements and restrictions contained in this Regulatory Agreement in any documents, executed and delivered in connection with a voluntary transfer of any interest in the Project to another person to the end

that such transferee has notice of, and is bound by, such restrictions and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement.

Section 20. [Payment of Fees](#). Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Financing Agreement, the Borrower shall continue to pay to the Issuer and Lender all fees, losses and expenses required under the Financing Agreement as provided therein.

Section 21. [Governing Law](#). This Regulatory Agreement shall be governed by the laws of the State of California.

Section 22. [Amendments; Waivers](#). (a) Except as provided in Section 8(a) hereof, this Regulatory Agreement may be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California, and only upon receipt by the Issuer of an opinion from Bond Counsel that such amendment will not adversely affect the Tax-Exempt status of interest on the Bonds and is not contrary to the provisions of the Act.

(b) Anything to the contrary contained herein notwithstanding, the Issuer, the Lender and the Borrower hereby agree to amend this Regulatory Agreement to the extent required, in the opinion of Bond Counsel, in order that interest on the Bonds remains Tax-Exempt. The parties requesting such amendment shall notify the other parties to this Regulatory Agreement of the proposed amendment, with a copy of such requested amendment to Bond Counsel and a request that such Bond Counsel render to the Issuer and the Lender an opinion as to the effect of such proposed amendment upon the Tax-Exempt status of interest on the Bonds. This provision shall not be subject to any provision of any other agreement requiring any party hereto to obtain the consent of any other person in order to amend this Regulatory Agreement.

(c) Any waiver of, or consent to, any condition under this Regulatory Agreement must be expressly made in writing.

Section 23. [Notices](#). Any notice required to be given hereunder shall be made in writing and shall be given by personal delivery, overnight delivery, certified or registered mail, postage prepaid, return receipt requested, or by telecopy, in each case at the respective addresses specified in the Financing Agreement, or at such other addresses as may be specified in writing by the parties hereto.

(c) The Borrower acknowledges, represents and warrants that it understands the nature and structure of the transactions contemplated by this Regulatory Agreement; that it is familiar with the provisions of all of the documents and instruments relating to the Bonds to which it is a party or of which it is a beneficiary; that it understands the financial and legal risks inherent in such transactions; and that it has not relied on the Issuer for any guidance or expertise in analyzing the financial or other consequences of such financing transactions or otherwise relied on the Issuer in any manner except to issue the Bonds in order to provide funds to assist the Borrower in acquiring and developing the Project.

Section 3. [Qualified Residential Rental Project.](#) The Borrower hereby acknowledges and agrees that the Project is to be owned, managed and operated in the same manner as a “residential rental project” (within the meaning of Section 142(d) of the Code) for a

term equal to the Qualified Project Period. To that end, and for the term of this Regulatory Agreement, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project will be operated for the purpose of providing multifamily residential rental property. The Borrower will own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with Section 142(d) of the Code, Section 1.103-8(b) of the Regulations and the provisions of the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the dwelling units in the Project will be similarly constructed units, and each dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or rented for a period of less than 30 consecutive days, or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park.

(d) No part of the Project will at any time during the Qualified Project Period be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or use, and the Borrower will not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period (except that the Borrower may obtain final map approval and the Final Subdivision Public Report from the California Department of Real Estate and may file a condominium plan with the County of Los Angeles).

(e) All of the dwelling units in the Project (except for not more than one unit set aside for resident manager or other administrative use) will be available for rental during the Qualified Project Period on a continuous basis to members of the general public, on a first-come, first-served basis, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent that dwelling units are required to be leased or rented to Very Low Income Tenants.

(f) The Project consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the facilities of the Project comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this provision shall not be construed to prohibit the occupancy of a dwelling unit by resident managers or maintenance personnel, any of whom may be the Borrower.

(h) The Borrower shall deliver to the Issuer, (i) within 30 days after the date on which 10% of the dwelling units in the Project are occupied, a written notice specifying such date, and (ii) within 30 days after the date on which 50% of the dwelling units in the Project are occupied, a written notice specifying such date. The Borrower shall cause a copy of such notice to be recorded in the Official Records of the County of Los Angeles, California.

Section 4. [Very Low Income Tenants; Reporting Requirements](#). Pursuant to the requirements of the Code, the Borrower hereby represents, warrants and covenants as follows:

(a) During the Qualified Project Period no less than 20% of the total number of completed units in the Project shall at all times be rented to and occupied by Very Low Income Tenants. For the purposes of this paragraph (a), a vacant unit which was most recently occupied by a Very Low Income Tenant is treated as rented and occupied by a Very Low Income Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined.

(b) No tenant qualifying as a Very Low Income Tenant upon initial occupancy shall be denied continued occupancy of a unit in the Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Very Low Income Tenants. However, should a Very Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed one hundred forty percent (140%) of the applicable income limit for a Very Low Income Tenant of the same family size, the next available unit of comparable size must be rented to (or held vacant and available for immediate occupancy by) a Very Low Income Tenant. Until such next available unit is rented, the former Very Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Very Low Income Tenant for purposes of the twenty percent (20%) requirement of Section 4(a) hereof.

(c) For the Qualified Project Period, the Borrower will obtain, complete and maintain on file Income Certifications for each Very Low Income Tenant, including (i) an Income Certification dated, with respect to existing Very Low Income Tenants, within 60 days after the date that the Borrower acquires the Project and, with respect to new Very Low Income Tenants, immediately prior to the initial occupancy of such Very Low Income Tenant in the Project, and (ii) thereafter, an annual Income Certification with respect to each Very Low Income Tenant; provided that such certification with respect to any tenant shall in no case cover a period greater than one year. The Borrower will provide such additional information as may be required in the future by the Code, the State or the Issuer, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to Tax-Exempt obligations. A copy of the most recent Income Certifications for Very Low Income Tenants commencing or continuing occupation of a Very Low Income Unit shall be attached to each report to be filed with the Issuer pursuant to paragraph (e) of this Section 4.

The Borrower shall make a good faith effort to verify that the income information provided by an applicant in a Verification of Income is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain a pay stub for the most recent pay period, (2) obtain an income tax return for the most recent tax year, (3) obtain a credit report or conduct a similar type credit search, (4) obtain an income verification from the applicant's

current employer, (5) obtain an income verification from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from either of such agencies, or (6) if the applicant is unemployed and does not have an income tax return, obtain another form of independent verification reasonably acceptable to the Issuer.

(d) The Borrower will maintain complete and accurate records pertaining to the Very Low Income Units, and will permit any duly authorized representative of the Issuer, the Lender, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Very Low Income Units.

(e) The Borrower will prepare and submit to the Issuer, the Program Monitor, if applicable, and the Lender, no later than the thirtieth day of each calendar quarter, until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance executed by the Borrower stating (i) the percentage of the dwelling units of the Project that were occupied or deemed occupied pursuant to subsection (a) hereof, by Very Low Income Tenants during the preceding calendar quarter; and (ii) that either (A) no unremedied default has occurred under this Regulatory Agreement, the Financing Agreement or the Deed of Trust, or (B) a default has occurred, in which event the certificate shall describe the nature of the default in detail and set forth the measures being taken by the Borrower to remedy such default.

(f) For the Qualified Project Period, all tenant leases or rental agreements shall be subordinate to this Regulatory Agreement and the Deed of Trust. All leases pertaining to Very Low Income Units shall contain clauses, among others, wherein each tenant who occupies a Very Low Income Unit: (i) certifies the accuracy of the statements made in the Verification of Income; (ii) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such tenant, that such tenant will comply promptly with all requests for information with respect thereto from the Borrower, the Lender, the Issuer or the Program Monitor on behalf of the Issuer, and that the failure to provide accurate information in the Verification of Income or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such tenant; (iii) acknowledges that the Borrower has relied on the Verification of Income and supporting information supplied by the Very Low Income Tenant in determining qualification for occupancy of the Very Low Income Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; and (iv) agrees that the tenant's income is subject to annual certification in accordance with Section 4(c) and that if upon any such certification such tenant's Adjusted Income exceeds the applicable income limit under Section 4(b), such tenant may cease to qualify as a Very Low Income Tenant and such tenant's rent may be subject to increase.

Section 5. [Tax-Exempt Status of Bonds](#). The Borrower and the Issuer, as applicable, each hereby represents, warrants and agrees as follows:

(a) The Borrower and the Issuer will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-Exempt nature of the interest on the Bonds and, if either of them should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.

(b) The Borrower and the Issuer will file of record such documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the Issuer and the Lender, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County of Los Angeles.

(c) The Borrower hereby covenants to include or reference the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project to another person to the end that such transferee has notice of, and is bound by, such restrictions, and, to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement.

Section 6. [Additional Requirements of the Act](#). In addition to the requirements set forth above, the Borrower hereby agrees that it shall comply with each of the requirements of the Act applicable to the project. Without limiting the foregoing, the Borrower agrees as follows:

(a) Not less than 20% of the total number of units in the Project shall be available for occupancy on a priority basis by “low income tenants” as required by Section 34312.3 of the Act, one-half of which units shall be made available to Very Low Income Tenants. [Note: Section 4(a) requires that 20% of the total number of units be rented to Very Low Income Tenants].

(b) The rental payments for the Very Low Income Units paid by the tenants thereof (excluding any supplemental rental assistance from the State, the federal government or any other public agency to those tenants or on behalf of those units) shall not exceed Affordable Rents.

(c) The Borrower shall accept as tenants, on the same basis as all other prospective tenants, very low-income persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act. The Borrower shall not permit any selection criteria to be applied to Section 8 certificate or voucher holders that is more burdensome than the criteria applied to all other prospective tenants.

(d) No tenant residing in a unit reserved as required by subsection (a) of this Section shall be denied continued occupancy of a unit in the Project because, after admission, such tenant’s Adjusted Income increases to exceed the qualifying limit for low income tenants or Very Low Income Tenants. However, should the Adjusted Income of a tenant residing in a reserved unit increase to exceed the qualifying limit, the next available unit must be rented to (or held vacant and available for immediate occupancy by) a tenant whose income satisfies the requirement of Section 4(a) hereof. Until such next available unit is rented to a qualified tenant, the former low income tenant or Very Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a low income tenant or Very Low Income Tenant for purposes of the requirement of Section 4(a) hereof.

(e) The units reserved for occupancy as required by subsection (a) of this Section shall remain available on a priority basis for occupancy until the Bonds are retired.

Section 7. [Additional Requirements of the Issuer](#). In addition to the requirements set forth above and to the extent not prohibited thereby, the Borrower hereby agrees to comply with each of the requirements of the Issuer set forth in this Section 7, as follows:

(a) Not less than 20% of the units in the Project shall be available on a priority basis for occupancy by Very Low Income Tenants paying rents not to exceed Affordable Rents. The requirements of this Section and Sections 4(a) and 6(a) are not cumulative, but each must be satisfied.

(b) The Borrower will indemnify the Issuer and the Lender as provided in Section 5.8 of the Financing Agreement and Section 9 hereof.

(c) All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business of the Borrower and shall be maintained as required by the Issuer, in a reasonable condition for proper audit and subject to examination during business hours by representatives of the Issuer.

(d) The Borrower shall submit to the Issuer, (i) not later than the thirtieth (30th) day after the close of each calendar year, a statistical report in the form set forth as [Exhibit D](#) hereto, or such other form as may be prescribed by the Issuer, setting forth the information called for therein, and (ii) within fifteen (15) days after receipt of a written request, any other information or completed forms requested by the Issuer in order to comply with reporting requirements of the Internal Revenue Service or the State of California.

(e) The covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Borrower.

(f) Each of the requirements of Sections 3, 4 and 6 hereof is hereby incorporated as a specific requirement of the Issuer, whether or not required by California or federal law, and shall be in force for the Qualified Project Period.

(g) The Borrower acknowledges that the Issuer may appoint a Program Monitor other than the Issuer (at no additional cost to the Borrower) to administer this Regulatory Agreement and to monitor performance by the Borrower of the terms, provisions and requirements hereof. In such event, the Borrower shall comply with any request by the Issuer to deliver to any such Program Monitor, in addition to or instead of the Issuer, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection by the Program Monitor as an agent of the Issuer.

(h) The Lender will collect the Annual Fee, in an amount equal to \$8,000, which fee shall be payable by the Borrower to the Lender, without demand, in advance on December 1 of each year (commencing on the Closing Date and continuing through the termination of this Regulatory Agreement) which the Lender shall collect pursuant to the Financing Agreement and remit to the Issuer as provided therein. The Borrower shall also pay to the Lender for the

account of the Issuer, on the Closing Date and within thirty (30) days after receipt of request for payment thereof from the Lender, all reasonable out-of-pocket expenses of the Issuer (not including salaries and wages of Issuer employees) related to the Project and the financing thereof that are not otherwise required to be paid by the Borrower under the terms of this Regulatory Agreement or the Financing Agreement, including, without limitation, reasonable legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project, the Loan or the Bonds. Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Bonds, the Borrower shall continue to pay (or, to the extent allowed under the Code, may prepay the present value at such time, computed based on the Bond yield) the Issuer's fees, unless such prepayment is made in connection with a refunding of the Bonds.

(i) The Borrower shall comply with the conditions set forth in Exhibit A of that certain CDLAC Resolution No. 04-088 relating to the Project and adopted on September 22, 2004 (the "CDLAC Conditions"), as they may be modified or amended from time to time, which conditions are incorporated herein by reference and made a part hereof. The Borrower will prepare and submit to CDLAC, not later than each anniversary of the Closing Date, until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance, in substantially the form attached hereto as Exhibit E, executed by an authorized representative of the Borrower.

Any of the foregoing requirements of the Issuer (except subsection (i) above which may be expressly waived by CDLAC) may be expressly waived by the Issuer in writing, but (i) no waiver by the Issuer of any requirement of this Section 7 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the Issuer has received an Opinion of Bond Counsel that any such provision is not required by the Act and may be waived without adversely affecting the exclusion from gross income of interest on the Bonds for federal income tax purposes; and (ii) any requirement of this Section 7 shall be void and of no force and effect if the Issuer and the Borrower receive an Opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Bonds to cease to be Tax-Exempt or to the effect that compliance with such requirement would be in conflict with the Act or any other state or federal law.

Section 8. [Modification of Covenants](#). The Borrower, the Lender and the Issuer hereby agree as follows:

(a) To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the Issuer, the Lender and the Borrower, retroactively impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement, and if such requirements are applicable to the Project, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements.

(b) To the extent that the Act, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Bond Counsel filed with the Issuer, the Lender and the Borrower, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the Issuer, at its sole discretion, the Lender and the Borrower, and only upon receipt by the

Issuer of the written opinion of Bond Counsel to the effect that such amendment will not affect the Tax-Exempt status of interest on the Bonds or violate the requirements of the Act, and otherwise in accordance with Section 22 hereof.

(c) The Borrower, the Issuer and, if applicable, the Lender, shall execute, deliver and, if applicable, file of record any and all documents and instruments necessary to effectuate the intent of this Section 8, and each of the Borrower and the Issuer hereby appoints the Lender as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Issuer, as is applicable, any such document or instrument (in such form as may be approved in writing by Bond Counsel) if either the Borrower or the Issuer defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the Issuer or the Borrower, the Lender shall take no action under this subsection (c) without first notifying the Borrower or the Issuer, or both of them, as is applicable, and without first providing the Borrower or the Issuer, or both, as is applicable, an opportunity to comply with the requirements of this Section 8. Nothing in this subsection (c) shall be construed to allow the Lender to execute an amendment to this Regulatory Agreement on behalf of the Issuer.

Section 9. Indemnification; Other Payments. To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Issuer, its officers, governing members, directors, officials, employees, attorneys and agents (collectively, the "Indemnified Parties"), against any and all losses, damages, claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under any statutory law (including federal or state securities laws) or at common law or otherwise, arising out of or based upon or in any way relating to:

- (i) this Regulatory Agreement, the Financing Agreement and any of the other Loan Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the issuance, sale, resale or transfer of the Bonds;
- (ii) any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or any part thereof;
- (iii) any lien or charge upon payments by the Borrower to the Issuer hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Issuer in respect of any portion of the Project;
- (iv) any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof;
- (v) the defeasance and/or redemption, in whole or in part, of the Bonds;

(vi) any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower contained in any documents relating to the Bonds to which the Borrower is a party, or any omission from any such document of any material fact necessary to be stated therein in order to make the statements made therein by the Borrower, in the light of the circumstances under which they were made, not misleading; or

(vii) any declaration of taxability of interest on the Bonds, or allegations (or regulatory inquiry that interest on the Bonds is taxable, for federal tax purposes.

The foregoing indemnification of the Issuer or any of its officers, members, directors, officials, employees, attorneys and agents does not apply only to the extent such damages are caused by the willful misconduct of such Indemnified Party. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if in the reasonable judgment of such Indemnified Party a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel.

Notwithstanding any transfer of the Project to another borrower in accordance with the provisions of this Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless such Indemnified Party has consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

Notwithstanding anything to the contrary contained elsewhere in this Regulatory Agreement, if the Lender, the Bondholders or any affiliate of any of them acquire title to the Project subject to the Regulatory Agreement, the party acquiring such title shall have no obligations or liabilities under this Section 9.

The provisions of this Section 9 shall survive the term of the Bonds and this Regulatory Agreement or the resignation of the Lender.

Section 10. [Consideration](#). The Issuer has agreed to issue the Bonds to provide funds to lend to the Borrower to finance the Project, all for the purpose, among others, of inducing the Borrower to acquire and operate the Project. In consideration of the issuance of the Bonds by the Issuer, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

Section 11. [Reliance](#). The Issuer and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Bonds, in the exemption from California personal income taxation of interest on the Bonds and in the Tax-Exempt status of the interest on the Bonds. In performing their duties and obligations hereunder, the Issuer, the Program Monitor and the Lender may rely upon statements and certificates of the Very Low Income Tenants, and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the Issuer and the Lender may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Issuer or the Lender hereunder in good faith and in conformity with such opinion.

Section 12. [Sale or Transfer of the Project](#). For the Qualified Project Period, the Borrower shall not sell, transfer or otherwise dispose of the Project, in whole or in part, without the prior written consent of the Issuer, which consent shall not be unreasonably withheld, conditioned or delayed if the following conditions are satisfied: (A) the receipt by the Issuer of evidence acceptable to the Issuer that (1) the Borrower shall not be in default hereunder or under the Financing Agreement (which may be evidenced by a Certificate of Continuing Program Compliance) or the purchaser or assignee undertakes to cure any defaults of the Borrower to the reasonable satisfaction of the Issuer; (2) the continued operation of the Project shall comply with the provisions of this Regulatory Agreement; (3) either (a) the purchaser or assignee or its property manager has at least three years' experience in the ownership, operation and management of similar size rental housing projects, and at least one year's experience in the ownership, operation and management of rental housing projects containing below-market-rate units, without any record of material violations of discrimination restrictions or other state or federal laws or regulations or local governmental requirements applicable to such projects, or (b) the purchaser or assignee agrees to retain a property management firm with the experience and record described in subclause (a) above, or (c) the transferring Borrower or its management company will continue to manage the Project for at least one year following such transfer and during such period will provide training to the transferee and its manager in the responsibilities relating to the Very Low Income Units; and (4) the person or entity which is to acquire the Project does not have pending against it, and does not have a history of significant and material building code violations or complaints concerning the maintenance, upkeep, operation, and regulatory agreement compliance of any of its projects as identified by any local, state or federal regulatory agencies; (B) the execution by the purchaser or assignee of any document reasonably requested by the Issuer or the Lender with respect to the assumption of the Borrower's obligations under this Regulatory Agreement and, if the Bonds are outstanding at the time of transfer, the Financing Agreement, including without limitation an instrument of assumption hereof and thereof, and delivery to the Issuer of an opinion of such purchaser or assignee's counsel to the effect that each such document and this Regulatory Agreement are valid, binding and enforceable obligations of such purchaser or assignee, subject to bankruptcy and other standard limitations affecting creditor's rights; (C) receipt by the Issuer of an opinion of Bond Counsel addressed to the Issuer to the effect that any such sale, transfer or other disposition will not adversely affect the Tax-Exempt status of interest on the Bonds; (D) receipt by the Issuer and Lender of all fees and/or expenses then currently due and payable to the Issuer and Lender; and (E) satisfaction of such other conditions as the Issuer may reasonably impose. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 12 shall be null, void and without effect, shall cause a reversion of title

to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Nothing in this Section shall affect any provision of any other document or instrument between the Borrower and any other party which requires the Borrower to obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the Project or any interest (direct or indirect) therein or in the Borrower, including, but not limited to, any consent of the Lender and/or the Holder required under the Financing Agreement, the Deed of Trust or any other Loan Document. Upon any sale or other transfer that complies with this Regulatory Agreement, the Borrower shall be fully released from its obligations hereunder to the extent such obligations have been fully assumed in writing by the transferee of the Project.

Any transfer of the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 12. The Section 12 shall not apply to, or limit, any transfer of the Project to the Lender, the Holder or any Affiliate of the Lender or the Holder by foreclosure under the Deed of Trust or by deed in lieu of such foreclosure.

For the Qualified Project Period, the Borrower shall not: (1) encumber any of the Project or grant commercial leases of any part thereof, or permit the conveyance, transfer or encumbrance of any part of the Project, except as otherwise permitted by the Financing Agreement, the Deed of Trust and this Regulatory Agreement (and upon receipt by the Borrower of an opinion of Bond Counsel that such action will not adversely affect the Tax-Exempt status of interest on the Bonds; provided that such opinion will not be required with respect to any lease permitted under this Regulatory Agreement and the Deed of Trust relating to a commercial operation or ancillary facility that will be available for tenant use and is customary to the operation of multifamily housing developments similar to the Project); (2) demolish any part of the Project or substantially subtract from any real or personal property of the Project, except in accordance with the Loan Documents and except to the extent that what is removed is replaced with comparable property; or (3) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

Section 13. Term. This Regulatory Agreement and all and several of the terms hereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the period provided herein and shall terminate as to any provision not otherwise provided with a specific termination date and shall terminate in its entirety at the end of the Qualified Project Period, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bonds and discharge of the Financing Agreement.

The terms of this Regulatory Agreement to the contrary notwithstanding, the requirements hereof shall terminate and be of no further force and effect in the event of involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date, which prevents the Issuer and the Lender from enforcing such provisions, or condemnation or foreclosure, transfer of title by deed in lieu of foreclosure, or a similar event, but only if, within a reasonable period, either the Bonds are retired or amounts received as a consequence of such event are used to provide a project that meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Regulations)

obtains an ownership interest in the Project for federal income tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. Notwithstanding any other provision of this Regulatory Agreement, this Regulatory Agreement may be terminated upon agreement by the Issuer, the Lender and the Borrower upon receipt by the Issuer and the Lender of an opinion of Bond Counsel to the effect that such termination will not adversely affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 14. [Covenants to Run With the Land](#). Notwithstanding Section 1461 of the California Civil Code, the Borrower hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The Issuer and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

Section 15. [Burden and Benefit](#). The Issuer and the Borrower hereby declare their understanding and intent that the burdens of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The Issuer and the Borrower hereby further declare their understanding and intent that the benefits of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Very Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Bonds were issued.

Section 16. [Uniformity; Common Plan](#). The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use of the site on which the Project is located.

Section 17. [Default; Enforcement](#). If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given by the Issuer to the Borrower, or for a period of 60 days from the date the Borrower should, with reasonable diligence, have discovered such default, then the Issuer shall declare an "Event of Default" to have occurred hereunder; provided, however, that if the default is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (ii) in the

opinion of Bond Counsel, the failure to cure said default within 60 days will not adversely affect the Tax-Exempt status of interest on the Bonds; and provided further, that notice shall be given to the Borrower's Investor Limited Partner (as designated in Section 23 of this Regulatory Agreement), who shall be entitled to cure any such default under the conditions set forth herein. The Issuer shall have the right to enforce the obligations of the Borrower under this Regulatory Agreement within shorter periods of time than are otherwise provided herein if necessary to insure compliance with the Act or the Code.

Following the declaration and during the continuance of an Event of Default hereunder, the Issuer, subject to the provisions of the Financing Agreement, may take any one or more of the following steps, in addition to all other remedies provided by law or equity:

- (i) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things that may be unlawful or in violation of the rights of the Issuer hereunder;
- (ii) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project;
- (iii) require the Borrower to pay to the Issuer an amount equal to the rent or other amounts received by the Borrower for any units in the Project which were in violation of this Regulatory Agreement during the period such violation continued (which payment shall not reduce the amount nor affect any payment due under the Loan);
- (iv) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder; and
- (v) subject to the provisions of the Financing Agreement, declare a default thereunder and proceed with any remedies provided therein.

The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only means by which the Issuer may fully obtain the benefits of such agreements made by the Borrower herein, and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Borrower hereunder.

In addition, during the Qualified Project Period, the Borrower hereby grants to the Issuer the option, upon the expiration of 60 days after the giving of the notice to the Borrower referred to in the first paragraph of this Section 17 of the Borrower's default under this Regulatory Agreement, to lease up to 20% of the units in the Project for the purpose of subleasing such units to Very Low Income Tenants, but only to the extent necessary to comply with the provisions of Sections 3, 4, 6 and 7. The option granted in the preceding sentence shall be effective only if the Borrower has not instituted corrective action within such 60-day period. Such option shall be exercisable first with respect to units which are vacant at the time of exercise of this option and shall be exercised with respect to occupied units only to the extent that subleasing of additional units is necessary in order to bring the Project into compliance with

the provisions of Sections 3, 4, 6 and 7, and any eviction carried out in connection with the exercise of such option shall be carried out in compliance with applicable laws. The option and any leases to the Issuer under this provision shall terminate with respect to each default upon the achievement, by the Borrower or the Issuer, of compliance with the requirements of Sections 3, 4, 6 and 7, and any subleases entered into pursuant to the Issuer's option shall be deemed to be leases from the Borrower. The Issuer shall make diligent efforts to rent Very Low Income Units to Very Low Income Tenants for monthly rental amounts equivalent to those collected from tenants of similar units in the Project, or such lesser maximum amounts as may be permitted by Section 6(b) hereof, but shall not be required to obtain such rental amounts. The Issuer shall seek to rent such units for the highest possible rents that may be charged, consistent with the rent and occupancy restrictions of this Regulatory Agreement. Tenant selection shall be performed utilizing the Borrower's reasonable management and selection policies. The Issuer subleases to Very Low Income Tenants pursuant to this paragraph shall not exceed six months in term and shall expressly permit the Borrower to increase the rents to the maximum amounts as may be permitted by Section 6(b) hereof for the respective households at the time the Borrower assumes the Issuer's position hereunder. Any rental paid under any such sublease shall be paid to the Borrower after the Issuer has been reimbursed for any expenses incurred in connection with such sublease. All rents received by the Issuer from such subleases, less the Issuer's expenses incurred in connection with such subleases, shall be placed into an escrow reasonably approved by the Borrower. All funds in such escrow shall be continuously pledged by the Issuer for the benefit of the Borrower. The Issuer agrees to allow the Borrower access to the Issuer's books and records relating to the collection and disbursement of rents received pursuant to such subleases.

All reasonable fees, costs and expenses of the Issuer incurred in taking any action pursuant to this Section shall be the sole responsibility of the Borrower.

No breach or default under this Regulatory Agreement shall defeat or render invalid any deed of trust, mortgage or like encumbrance upon the Project or any portion thereof given in good faith and for value.

Section 18. [Reserved.]

Section 19. [Recording and Filing](#). (a) The Borrower shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the Issuer may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

(a) The Borrower and the Issuer will file of record such other documents and take such other steps as are reasonably necessary, in the opinion of Bond Counsel, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project.

(b) The Borrower hereby covenants to include or reference the requirements and restrictions contained in this Regulatory Agreement in any documents, executed and delivered in connection with a voluntary transfer of any interest in the Project to another person to the end

that such transferee has notice of, and is bound by, such restrictions and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement.

Section 20. [Payment of Fees](#). Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Financing Agreement, the Borrower shall continue to pay to the Issuer and Lender all fees, losses and expenses required under the Financing Agreement as provided therein.

Section 21. [Governing Law](#). This Regulatory Agreement shall be governed by the laws of the State of California.

Section 22. [Amendments; Waivers](#). (a) Except as provided in Section 8(a) hereof, this Regulatory Agreement may be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California, and only upon receipt by the Issuer of an opinion from Bond Counsel that such amendment will not adversely affect the Tax-Exempt status of interest on the Bonds and is not contrary to the provisions of the Act.

(b) Anything to the contrary contained herein notwithstanding, the Issuer, the Lender and the Borrower hereby agree to amend this Regulatory Agreement to the extent required, in the opinion of Bond Counsel, in order that interest on the Bonds remains Tax-Exempt. The parties requesting such amendment shall notify the other parties to this Regulatory Agreement of the proposed amendment, with a copy of such requested amendment to Bond Counsel and a request that such Bond Counsel render to the Issuer and the Lender an opinion as to the effect of such proposed amendment upon the Tax-Exempt status of interest on the Bonds. This provision shall not be subject to any provision of any other agreement requiring any party hereto to obtain the consent of any other person in order to amend this Regulatory Agreement.

(c) Any waiver of, or consent to, any condition under this Regulatory Agreement must be expressly made in writing.

Section 23. [Notices](#). Any notice required to be given hereunder shall be made in writing and shall be given by personal delivery, overnight delivery, certified or registered mail, postage prepaid, return receipt requested, or by telecopy, in each case at the respective addresses specified in the Financing Agreement, or at such other addresses as may be specified in writing by the parties hereto.
